Tenant	Date of Occupancy	Relocation Benefits

Signed By: Craig Adams

FOR AGENCY USE ONLY:

City Manager The above application is/is not in conformance with the requirements of the Urban Revitalization Plan for City of Indianola
Relocation Benefits Paid N/A

City Manager _____ Date _____

Building Dept Construction Permit No.(s) 96 Date Issued 9/15/15 FINAL 12/19/16

Building Official _____

City Council Application approved/disapproved (reason if disapproved) _____

Indianola City Council _____ Date _____

County Assessor Present assessed value _____ Assessed value w/improvements _____

Eligible or non-eligible for tax abatement _____

APPLICATION FOR TAX ABATEMENT UNDER THE URBAN REVITALIZATION PLAN FOR CLASS A (3 or 5 YEAR \$75,000 INCENTIVE) RESIDENTIAL:

3 Year Abatement _____ 5 Year Abatement _____ Date 12/9/16
(please initial items below)

_____ Prior Approval for Intended Improvements Approval of Improvements Completed

Address of Property: 1303 SOUTH O ST.

Legal Description of Property: DEER CREEK PLAT 1 LOT # 16

Title Holder or Contract Buyer: GROUND BREAKER HOMES

Address of Owner (if different than above): 12119 STRATFORD DR. STE. B CLIVE, 50325

Phone Number (to be reached during the day): 515-205-3410

Existing Property Use: Residential _____ Commercial _____ Industrial _____ Vacant

Proposed Property Use: Residential _____ Commercial _____ Industrial _____ Vacant

_____ Rental Owner Occupied

Nature of Improvements: _____ Addition New Construction _____ General Improvements

DESCRIPTION: STYLE SETTER III - 1751 sq' single family home
4 bedrooms - 2 full baths - 1 partial bath - 3 car garage

CLASS A / 5 YEAR TAX ABATEMENT REQUIREMENTS:

Sidewall Insulation rated R-15 or higher? Yes _____ No _____

Attic space insulation rated R-44 or higher? Yes _____ No _____

125 M.P.H. lifetime shingle? Yes _____ No _____

Windows have minimum U factor of .31 or less or a low E rating? Yes _____ No _____

H.V.A.C. has a minimum 90% efficiency rating? Yes _____ No _____

Programmable Energy Star thermostat installed? Yes _____ No _____

All ductwork is taped and sealed? Yes _____ No _____

All appliances are Energy Star rated? Yes _____ No _____

A/C Unit with Minimum SEER rating of 14 Yes _____ No _____ Brand? _____

Furnace with a minimum 90% efficiency rating Yes _____ No _____ Brand? _____

Gas Water Heater 0.62 EF to 0.79 EF or 0.80 EF and above? Yes _____ No _____ Brand? _____

Rating? _____

Plumbing fixtures in both kitchen and baths are all Energy Star rated? Yes _____ No _____

Faucets 2.0 GPM? Yes _____ No _____

Showers 2.0 GPM? Yes _____ No _____

Resolution

RESOLUTION NO. 2017-_____

**RESOLUTION APPROVING CITY STATE BANK TO RECEIVE
DONATIONS FOR THE I BACK THE BLUE
PUBLIC SAFETY RADIO EQUIPMENT**

WHEREAS, the City Council of the City Indianola, Iowa, is in need of engaging a banking service to provide a source for donated funds to be received for the I Back The Blue public safety radios and anything necessary to install part of the radio equipment; and

WHEREAS, the City Council of the City of Indianola, Iowa, has authorized City staff to open an account to receive the donated funds for the I Back The Blue; and

WHEREAS, it is the determination of the City Council that the City should open a separate account at City State Bank to receive funds for the I Back the Blue; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Indianola, Iowa, that:

1. The City Council approves opening a separate account at City State Bank to receive all donated funds for I Back the Blue for public safety radios and anything necessary to install part of the radio equipment. This being in the public interest of the citizens of the City of Indianola and is hereby approved.

2. City State Bank will open a separate account to receive all donated funds for I Back the Blue for public safety communication equipment.

3. The Mayor is authorized and directed to execute any and all documents on behalf of the City and the City Clerk is authorized and directed to attest to the signature and to affix the seal of the City.

PASSED this 3rd day of January, 2017.

Kelly B. Shaw, Mayor

ATTEST:

Diana Bowlin, City Clerk

Meeting Date: 01/03/2017

Subject

Final consideration of a request from Jon Roen to amend M-2 (General Industrial) zoning to allow outdoor storage facilities for boats, campers and other types of vehicles (P&Z unanimously recommended approval on 11/8/16)

Information

Council needs to hold the final consideration to amend M-2 to allow outdoor storage facilities for boats, campers and other types of vehicles.

Enclosed are Jon Roen's request, the P&Z October and November memo, P&Z minutes and an ordinance regulating the use. The issues the P&Z Commission discussed at the October meeting have been addressed.

- Allowing outdoor storage uses within M-1 and M-2 as a special use permit requiring Board of Adjustment approval.
- A minimum of five off-street parking stalls for any building in excess of 150 sq. ft.
- Adding self storage uses within M-1 and M-2 zoning thus clarifying conflicts with the same listed use within C-2.

Community Director Chuck Burgin recommended approval and P&Z approved unanimously.

Roll call is in order.

Ordinance

SEP 16 2016

INDIANOLA, IOWA

September 14, 2006

To Indianola Planning and Zoning, Mayor and Council, Chuck Burgin

From Jon Roen

Outdoor Storage on property zoned M-2

I would like clarification and/or amending of the M-2 zoning in Indianola to allow for permitted principle classifications within M-2 to include outdoor storage facilities within that zoned area to include (but not limited to) the following exterior storage items such as: campers, RV's, trailers, motorcycles, ATV's, and other motorized vehicles.

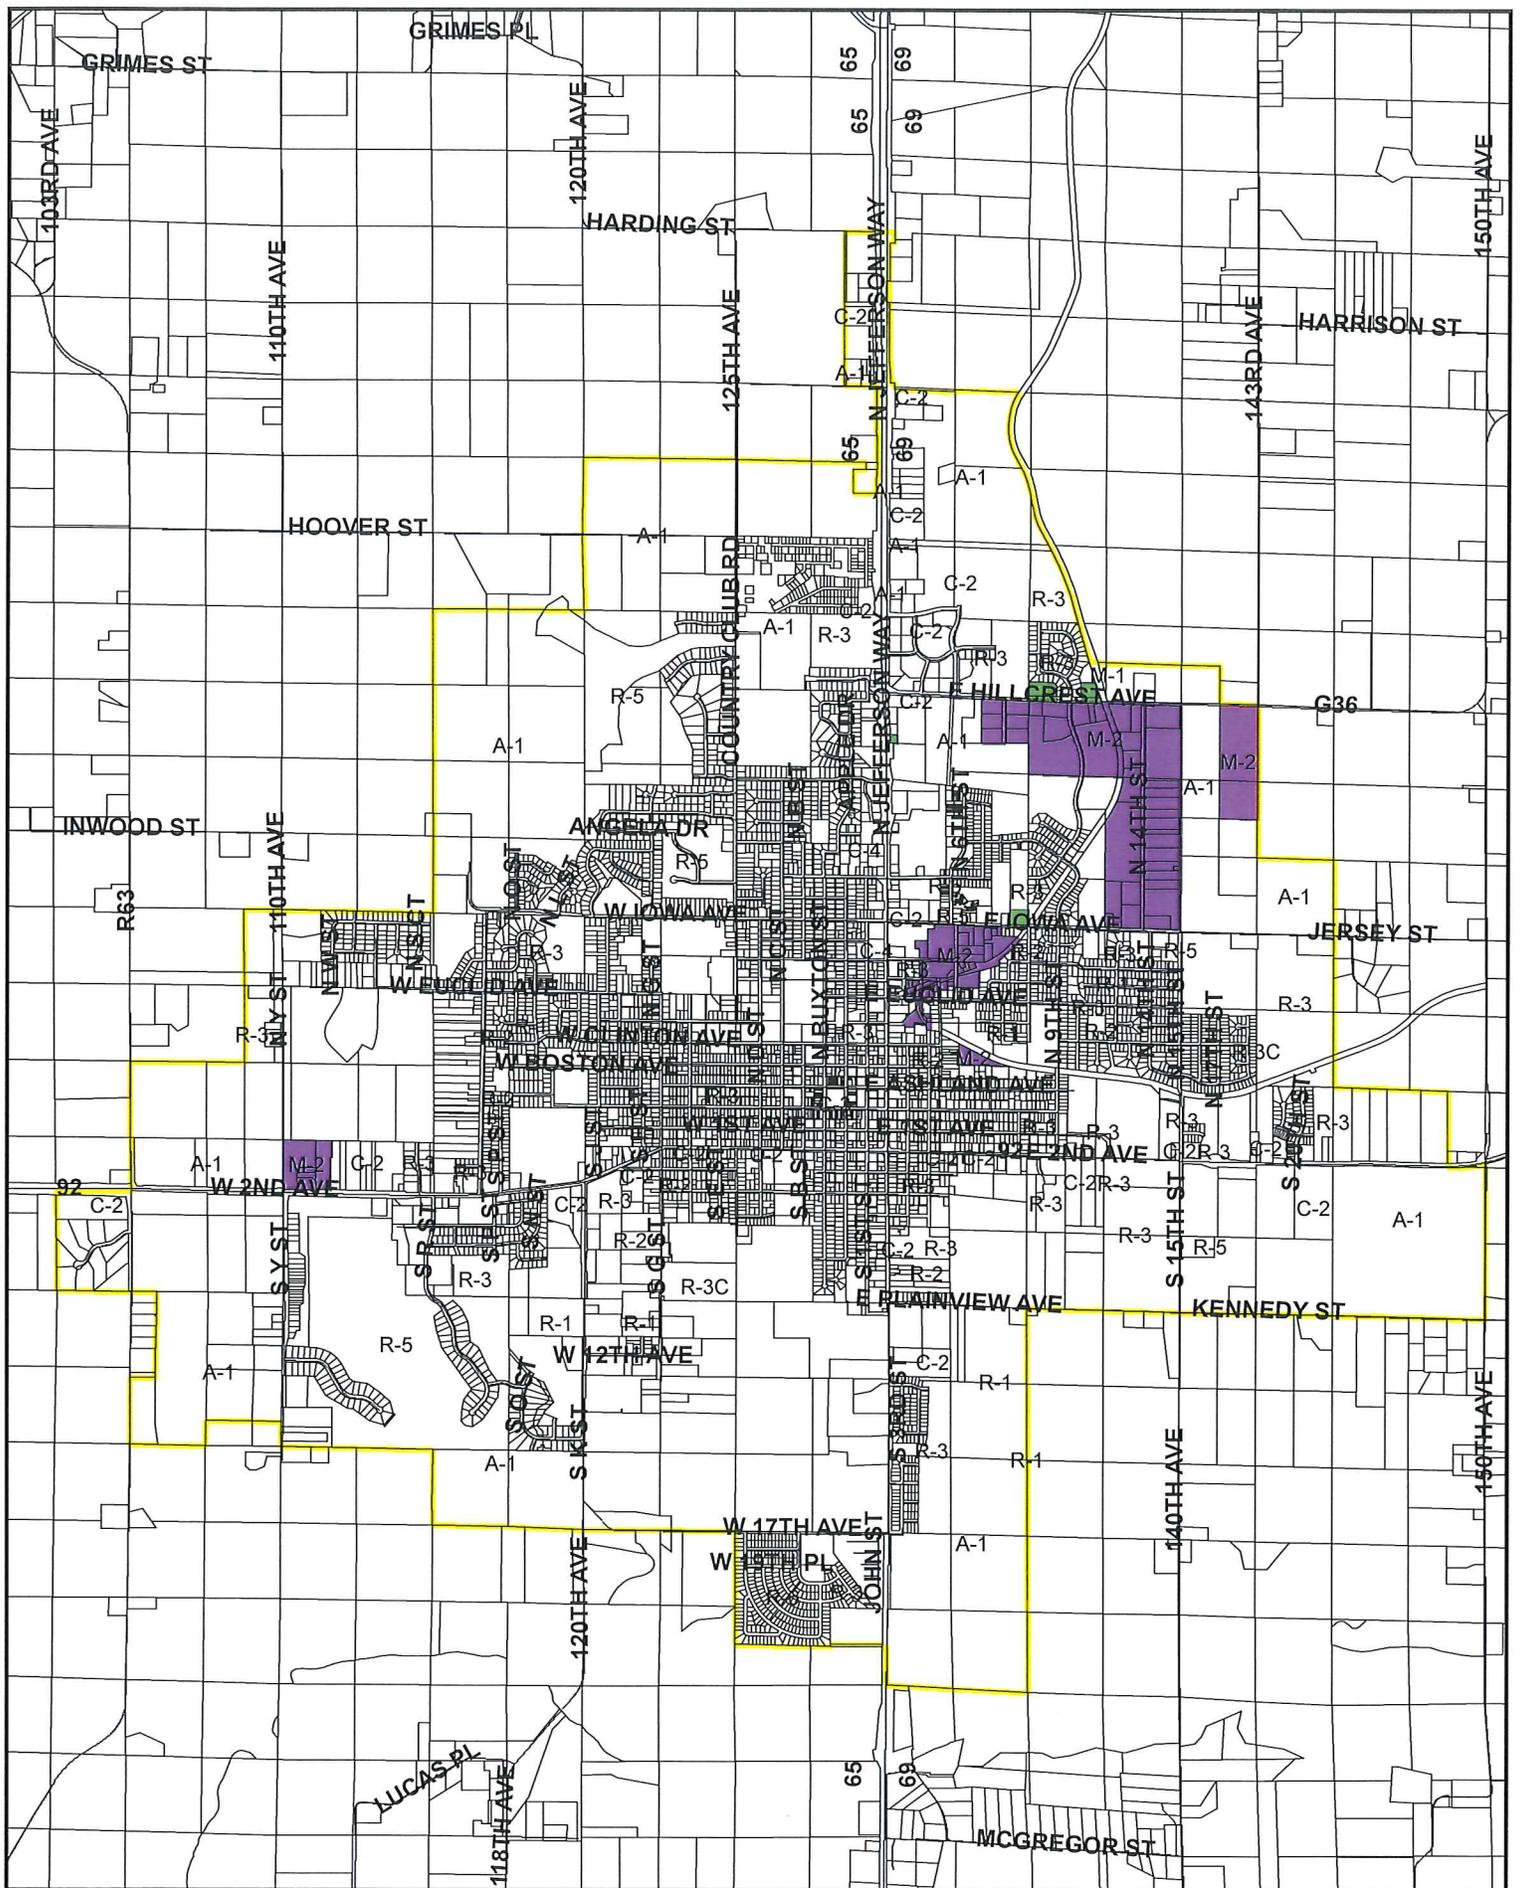

This clarification/amendment will allow me to continue in the decision making process regarding whether or not to purchase, with confidence under M-2 zoning, property in town and the ability to proceed forward with a much needed outdoor storage facility for Indianola.

Feel free to contact me with any questions at: 515-975-6263

Thank you very much.

Jon Roen
2206 N. 9th Street
Indianola, Iowa 50125

M-1 (Limited Industrial) & M-2 (General Industrial)
Zoning Classifications

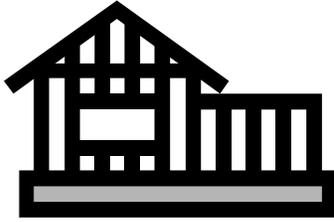

M-1 Limited Industrial

M-2 General Industrial 10/2016

To: Planning and Zoning Commission
From: Chuck Burgin, Director of Community Development
Subject: October 11, 2016 Meeting

Item # 4 Consider request from Bob Bash and Michael Patterson to purchase the South ½ half of the North/South alley lying between Lot 3 and Lot 4, Block 5, Berry's Addition, Indianola, Iowa.

Enclosed are the agreement to purchase, notice of closing and a map indicating the location of the alley requested to be purchased. Council policy requires those property owners that own land adjacent to the alley to agree to purchase and the remaining property owners within the same block to be notified of the request to purchase.

The process for purchasing an alley is as follows:

- The property owner making the request completes an application listing the adjacent land owners and all other property owners within the same block.
- The request to purchase is sent to all affected department heads for their review and comment.
- Notification of the alley purchase is sent to all property owners within the block.
- Planning and Zoning makes a recommendation to Council.
- City Council sets and holds a public hearing prior to purchase.

Alleys such as these that do not carry traffic, are grassed over and serve no public purpose are the type the city wishes to sell. All the paperwork is complete and notifications have been mailed. I recommend the request be approved subject to retaining easement rights.

Item # 5 Consider request from Jon Roen to amend M-2 (General Industrial) zoning to allow outdoor storage facilities for boats, campers and other types of vehicles.

Enclosed is the written request from Mr. Roen requesting the amendment and a zoning map identifying M-1 and M-2 zoned properties. Storage facilities are not specifically listed as a permitted use, however they have been allowed in both M-1 and M-2 zoning under the general definition of warehousing. Because there may not be a building associated with outdoor storage facilities, the following is why I feel amending the M-1 and M-2 zoning classification is needed.

- Required off-street parking is determined by the square footage of building be utilized.
- The site plan ordinance, regulating hard surfaces, natural green areas, water detention and buffer requirements, is not effective until a building permit is requested.
- Building permits are not required for fencing, grading or graveling areas.

- Renting parking spaces for profit should be considered a separate principal permitted use and should be listed within a zoning classification.

Because of the items listed above, I recommend the following amendments:

1. List outdoor storage facilities for recreational vehicles, boats, trailers and similar motorized vehicles as a permitted use in M-1 and M-2 zoning classifications.
2. Require a minimum of five off-street parking stalls if there is a building in excess of 150 sq. ft. located on the same site.
3. Amend the Site Plan Ordinance to address the issue of uses that may not require building uses or improvements.
4. Because self storage units have been added as a permitted use within C-2 zoning, this use should be added as a permitted use within M-1 and M-2 zoning classification.

I have enclosed a map indicating the existing M-1 and M-2 zoning areas. I will ask our attorney to prepare the amendment to the Code of Ordinances after we have further discussion.

Item # 6 Consider request from Dan and Stacey Crow to amend the A-1 zoning classification to allow private campgrounds.

Enclosed is the letter requesting the amendment and a map indicating areas of our current A-1 (agriculture) zoning classification. After reviewing several state, county and city regulations regarding campgrounds, I have found there is no consistency. In most of the city and county zoning ordinances reviewed, campgrounds are defined, however they are not listed as a permitted use.

I have enclosed a copy of Polk County's requirements for your review and comment and have listed below other requirements to be considered as well.

- Allow only as a special use within A-1 zoning requiring additional approval by the Board of Adjustment.
- Prohibit highway frontage.
- Mandate public restrooms/showers.
- Street and camp site lighting.

I will continue researching other jurisdictions for regulations to consider, however I am confident this type of use will need the minimal amenities such as restrooms, electric and water hookups and lighted roads to survive financially. After discussion and obtaining a more clear direction from the Commission, I will ask the attorney to prepare a draft of the proposed change for further consideration in November.

INDIANOLA PLANNING AND ZONING COMMISSION
REGULAR MEETING
OCTOBER 11, 2016
6:00 P.M.

The meeting was called to order by Chairperson Doug Opie and on roll call the following members were present:

Joe Butler
Tiffany Coleman
Al Farris
Ron Fridley
Cindy Johnson
Doug Opie
Bob Ormsby
Josh Rabe
Misty Soldwisch

Also present: Jon Roen, Bob Bash, Stacey Crow, Ryan Crow, Mindi Robinson and Chuck Burgin.

The minutes of the September 13, 2016 meeting were approved on a motion made by Coleman and seconded by Butler. Question was called for and on voice vote Chairperson Opie declared the motion carried unanimously.

Consider request from Bob Bash and Michael Patterson to purchase the South ½ half of the North/South alley lying between Lot 3 and Lot 4, Block 5, Berry's Addition, Indianola, Iowa.

Chuck reviewed the request with the Commission stating the notification to adjacent property owners and department supervisors had been issued and there were no objections.

Motion was made by Farris and seconded by Rabe to approve the request from Bob Bash and Michael Patterson to purchase the South ½ half of the North/South alley lying between Lot 3 and Lot 4, Block 5, Berry's Addition, Indianola, Iowa, with the City retaining easement rights. Question was called for and on voice vote Chairperson Opie declared the motion carried unanimously.

Consider request from Jon Roen to amend M-2 (General Industrial) zoning to allow outdoor storage facilities for boats, campers and other types of vehicles.

Chuck reviewed the request with the Commission stating storage facilities are not specifically listed as a permitted use within M-1 and M-2 zoning but have been allowed under the general definition of warehousing. Because this request does not have a building associated with the outdoor storage facility, Chuck recommends amending the M-1 and M-2 zoning because of the following reasons:

- Required off-street parking is determined by the square footage of building be utilized.
- The site plan ordinance, regulating hard surfaces, natural green areas, water detention and buffer requirements, is not effective until a building permit is requested.
- Building permits are not required for fencing, grading or graveling areas.
- Renting parking spaces for profit should be considered a separate principal permitted use and should be listed within a zoning classification.

Because of these reasons, Chuck recommended the following amendments:

1. List outdoor storage facilities for recreational vehicles, boats, trailers and similar motorized vehicles as a permitted use in M-1 and M-2 zoning classifications.
2. Require a minimum of five off-street parking stalls if there is a building in excess of 150 sq. ft. located on the same site.
3. Amend the Site Plan Ordinance to address the issue of uses that may not require building uses or improvements.
4. Because self storage units have been added as a permitted use within C-2 zoning, this use should be added as a permitted use within M-1 and M-2 zoning classification.

Commission discussed setback requirements and parking, existing zoning classifications adjacent to M-1 and M-2 zoning and hard surface versus gravel parking.

Farris shared his concerns regarding existing M-1 and M-2 zoning areas in town that may be inappropriate for this type of use in the future, such as the highway corridors and East Euclid Avenue.

Commission discussed the potential to place a special use permit condition on the ordinance to allow Board of Adjustment to regulate site specific areas.

Jon Roen spoke on behalf of his request stating he has viewed numerous residences that have their large recreational vehicles parked in neighborhoods. This option would allow for the betterment of the community by storing these vehicles in one location. Mr. Roen further stated his vision was for outdoor storage only with security, lighting, fencing and a gate key pad.

Commission discussed fencing versus screening, landscape buffers and the option for people to come back to the Commission to seek an alternate method to the Site Plan Ordinance should their situation/location not justify a six-foot, opaque fence or other landscape buffer.

Motion was made by Butler and seconded by Coleman to draft an ordinance including Chuck's four recommendations and including a fifth requirement allowing for a special use permit to the Board of Adjustment to regulate locations. Question was called for and on voice vote Chairperson Opie declared the motion carried unanimously.

Consider request from Dan and Stacey Crow to amend the A-1 zoning classification to allow private campgrounds.

Chuck reviewed the request with the Commission stating he researched several state, county and city regulations regarding campgrounds and found very little consistency. In most of the city and county ordinances reviewed, campgrounds are not listed as a permitted use. Chuck further shared Polk County's requirements and outlined the following requirements to be considered:

- Allow only as a special use within A-1 zoning requiring additional approval by the Board of Adjustment.
- Prohibit highway frontage.
- Mandate public restrooms/showers.
- Street and camp site lighting.

Stacey Crow spoke on behalf of her request stating her family owns 185 acres on the south side of Indianola. She has been consulting with Chip Smith, President of the Iowa Chapter of Camping, to gain better knowledge of private campgrounds. Mrs. Crow would like to have camp sites with full hook ups, sewer/water/electric that will accommodate larger campers. She wants to plan the project with two phases and the first phase would have 100 camp sites with restrooms, a storm shelter, laundry facilities and future camping cabins.

Commission discussed the existing areas where A-1 zoning exists and that a private campground may not be appropriate. Commission discussed the potential to place a special use permit condition on the ordinance to allow Board of Adjustment to regulate site specific areas and require adjacent property owner notification.

Farris questioned whether it was possible to create a separate zoning classification that allows for private campgrounds and having the land rezoned. Commission agreed that a special use permit would be best.

Motion was made by Rabe and seconded by Soldwisch to draft an ordinance including Chuck's four recommendations, Polk County's requirements, a park layout plan requirement and an adjacent property owner notification requirement. Question was called for and on voice vote Chairperson Opie declared the motion carried unanimously.

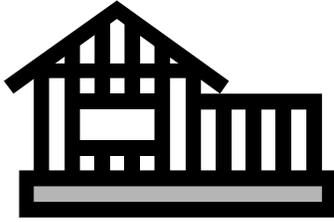

Other Business

Chuck informed the Commission that Council approved the preliminary plat of Ashton Park Plat 6 at their September 19, 2016 meeting.

Meeting adjourned on a motion by Ormsby and seconded by Rabe.

Doug Opie, Chairperson

Mindi Robinson

To: Planning and Zoning Commission
From: Chuck Burgin, Director of Community Development
Subject: November 8, 2016 Meeting

Item #4 Consider request from Brian Poindexter of Poindexter Flooring Inc., at 2913 North Jefferson Way to seek an Alternate Method of Approval of the Architectural Design Standard of the Site Plan Ordinance.

Enclosed is the letter requesting the alternate method of approval, site plan of the area and a photo of the proposed building. I have also included photos of the east, north and south building elevations. All other requirements of the site plan ordinance can be met. The only issue Commission needs to address is the proposed exterior finish not meeting the architectural design standards for accessory buildings in excess of 150 sq. ft. with highway frontage.

The standard requires 100% of the east elevation to consist of an approved material such as brick, EFIS, split face block, etc. The north and south elevations must contain a minimum of 30% of the same approved material. The exterior finish on the west elevation is not regulated because it will not front the highway.

Mr. Poindexter makes several valid points regarding the proposed location of the building having limited visibility from the highway due to the elevation difference between the highway and the proposed location in relationship to the existing building, site and the speed of the traffic and the existing metal building. Furthermore, the east wall that would require 100% of approved material will be located only ten feet west of the current structure making almost the entire wall non-visible from most locations off site.

My concern as always is setting a precedence allowing a large all metal building along our most traveled highway. However, I believe there are enough logical reasons to allow this structure at this location provided the Commission is careful describing in detail why such a request is approved.

Item #5 Consider request from Jon Roen to amend M-2 (General Industrial) zoning to allow outdoor storage facilities for boats, campers and other types of vehicles.

Enclosed are Jon's request, my October memo and a draft ordinance regulating the use. The issues we discussed at the October meeting have been addressed.

- Allowing outdoor storage uses within M-1 and M-2 as a special use permit requiring Board of Adjustment approval.
- A minimum of five off-street parking stalls for any building in excess of 150 sq. ft.
- Adding self storage uses within M-1 and M-2 zoning thus clarifying conflicts with the same listed use within C-2.

Please review prior to the meeting. Additional changes can still be made, however I would like to forward your recommendation to Council subject to any additional amendments to the draft.

Item #6 Consider request from Dan and Stacey Crow to amend the A-1 zoning classification to allow private campgrounds as a permitted use.

Enclosed is the request from the Crow's, my October memo and a draft ordinance regulating the use. The issues that were discussed at the October meeting have been addressed.

- Allowing campgrounds as a special use requiring Board of Adjustment approval.
- Not allowing use with highway frontage.
- Requiring public restrooms/storm shelter.
- Written notification to adjoining property owners 15 days prior to hearing.
- Site plan indicating road, building camping stall and campground locations and limits.

Please review the draft prior to the meeting. Again, additional changes can still be made, however I would like to send your recommendation to Council subject to any additional amendments.

INDIANOLA PLANNING AND ZONING COMMISSION
REGULAR MEETING
NOVEMBER 8, 2016
6:00 P.M.

The meeting was called to order by Vice Chairperson Joe Butler and on roll call the following members were present:

Joe Butler
Tiffany Coleman
Al Farris
Ron Fridley
Bob Ormsby
Becky Needles
Josh Rabe

Also present: Brian Poindexter, Stacey Crow, Ryan Crow, Mindi Robinson and Chuck Burgin.

The minutes of the October 11, 2016 meeting were approved on a motion made by Farris and seconded by Rabe. Question was called for and on voice vote Vice Chairperson Butler declared the motion carried unanimously.

Consider request from Brian Poindexter of Poindexter Flooring Inc., at 2913 North Jefferson Way to seek an Alternate Method of Approval of the Architectural Design Standard of the Site Plan Ordinance.

Chuck reviewed the request with the Commission stating the proposed building does not meet the architectural design standards for accessory buildings in excess of 150 sq. ft. with highway frontage. Chuck further stated that because the location of the proposed building will be hidden behind the existing structure and the limited visibility from the highway that his recommendation is to approve the request.

Commission discussed previous requests approved similar in nature. Brian Poindexter stated the proposed building would be for cold storage only.

Motion was made by Rabe and seconded by Ormsby to approve the request from Brian Poindexter to construct an accessory building without meeting the architectural design standards because the height and roof line of the proposed building will not exceed the height of the existing building, the alignment of the proposed building will be shadowed by the existing building, limited visibility and the distance from the highway to the proposed building. Question was called for and on voice vote Vice Chairperson Butler declared the motion carried unanimously.

Consider request from Jon Roen to amend M-2 (General Industrial) zoning to allow outdoor storage facilities for boats, campers and other types of vehicles.

Chuck reviewed the request stating the City Attorney drafted an ordinance that takes into consideration the items requested by Commission at the October 11, 2016 meeting.

Those items are as follows:

- Allowing outdoor storage uses within M-1 and M-2 as a special use permit requiring Board of Adjustment approval.
- A minimum of five off-street parking stalls for any building in excess of 150 sq. ft.
- Adding self storage uses within M-1 and M-2 zoning thus clarifying conflicts with the same listed use within C-2.

Farris questioned the date of October 11, 2016 as listed in the draft and reference to Section 165.35(s) under Section 1. #2 and Section 2. #2 of the draft ordinance. Chuck stated he would ask the City Attorney to confirm the correct date of the ordinance and also clarify the Section 165.35(2) be corrected.

Farris shared his concerns regarding existing M-1 and M-2 zoning areas in town that may be inappropriate for this type of use in the future, such as the highway corridors and East Euclid Avenue.

Motion was made by Farris and seconded by Fridley to amend the draft ordinance to add Special Requirement #4 to Section 1 and Section 2 that outdoor storage not be allowed adjacent to existing residential zoning.

Commission discussed the Board of Adjustment decision to regulate location of proposed outdoor storage. Chuck stated he would discuss the matter with the City Attorney as he does not want to limit good zoning practices if residential development occurred adjacent to an existing outdoor storage facility.

Question was called for and on voice vote Vice Chairperson Coleman declared the motion carried.

Motion was made by Farris and seconded by Needles to approve the draft ordinance amending M-1 (Limited Industrial) and M-2 (General Industrial) zoning to allow outdoor storage facilities for boats, campers and other types of vehicles, subject to Commission's changes regarding the draft date, Section 165.35(2) and adding Special Requirement #4 to Section 1 and Section 2 that outdoor storage not be allowed adjacent to existing residential zoning (subject to City Attorney approval). Question was called for and on voice vote Vice Chairperson Butler declared the motion carried unanimously.

Consider request from Dan and Stacey Crow to amend the A-1 zoning classification to allow private campgrounds as a permitted use.

Chuck reviewed the request stating the City Attorney drafted an ordinance that takes into consideration the items requested by Commission at the October 11, 2016 meeting.

Those items are as follows:

1. Allow only as a special use within the A-1 Agricultural District zoning requiring approval by the Board of Adjustment, subject to Section 165.35(s) and the other requirements contained in A-1 Agricultural District zoning.
2. Highway frontage is not allowed.
3. Public restrooms and showers that also is designed as a storm shelter shall be required.
4. Street and campsite lighting shall be required.
5. Written notification of the Board of Adjustment hearing shall be mailed to adjacent property owners at least 15 days prior to the hearing.
6. Submit to the Board of Adjustment a site plan indicating location of access roads, building, camping stalls and campground limits.

Chuck further stated the October 11, 2016 draft date and reference to Section 165.35(s) under Section 1. #2 and Section 2. #2 of the draft ordinance would be changed as necessary.

Ormsby questioned the storm shelter reference in Section 1 item 3 and whether that term was necessary in the draft. Commission agreed that the storm shelter verbiage should be removed from the ordinance.

Farris shared his concerns regarding future development of residential neighborhoods next to a campground facility. Farris questioned if campgrounds would be the best use of the land.

Commission discussed the requirement of Board of Adjustment to regulate site specific areas and the requirement of written notification to adjacent property owners allowing a hearing to voice concerns or comments.

Stacey Crow spoke on behalf of her request stating she has been working with Civil Engineering Associates on a site plan that has 90 sites with a restroom and shower facility, tent camping sites and an office/equipment storage space. Mrs. Crow further questioned what the future plans for her land would be if private campgrounds were not allowed in A-1 zoning. Chuck stated the future land use plan calls for low-medium density housing. Chuck further stated the topography of this particular land is difficult to develop and if there was a spot in town for private campground area this would be his recommendation.

Motion was made by Ormsby and seconded by Rabe to approve the draft ordinance amending the A-1 zoning classification to allow private campgrounds as a permitted use

subject to Commission's changes regarding the draft date, Section 165.35(2), removing storm shelter verbiage from requirement #3 under Section 1 and adding Special Requirement #4 to Section 1 and Section 2 that private campgrounds not be allowed to abut existing residential zoning. Question was called for and on voice vote Vice Chairperson Butler declared the motion carried unanimously.

Other Business

Chuck informed the Commission that Council approved the first reading of the request from Bob Bash and Michael Patterson to purchase the south ½ of the north/south alley between Lots 3 and 4, Block 5, Berry's Addition at their November 7th meeting.

Meeting adjourned on a motion by Needles and seconded by Coleman.

Joe Butler, Vice Chairperson

Mindi Robinson

CITY OF INDIANOLA, IOWA

Ordinance No. _____

AN ORDINANCE AMENDING THE CITY CODE OF ORDINANCES OF THE CITY OF INDIANOLA, IOWA, CHAPTER 165, ZONING REGULATIONS, TO ALLOW FOR AND TO PROVIDE ADDITIONAL REQUIREMENTS FOR OUTDOOR STORAGE IN M-1 AND M-2 ZONING CLASSIFICATIONS

WHEREAS, a request has been received to allow outdoor storage in the M-1 and M-2 zoning classifications; and

WHEREAS, the Planning and Zoning Commission met on November 8, 2016, to consider a proposal to amend the zoning regulations to allow for and to reflect additional approval requirements for outdoor storage in these classifications; and

WHEREAS, the Commission has made a recommendation to the City Council to amend Chapter 165; and

WHEREAS, a notice was published and a hearing held in accordance with the law, and the City Council now deems it reasonable and appropriate to amend Chapter 165 accordingly.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF INDIANOLA, IOWA:

Section 1. Indianola Code Section 165, “M-1 Light Industrial District Zoning Regulations,” is hereby amended to specify self-storage uses shall be permitted uses within the M-1 zoning classification and by adding the following new subsection concerning outdoor storage:

Special Requirements for Outdoor Storage:

1. Outdoor storage in M-1 Light Industrial District is storage of recreational vehicles, boats, trailers and similar motorized vehicles.
2. Allow only as a special use requiring approval by the Board of Adjustment, subject to Section 165.35(2) and the other requirements contained in M-1 Light Industrial District zoning.
3. A minimum of five off-street parking stalls shall be required if a building in excess of 150 square feet is located on the site.
4. Not allowed to abut property that is zoned residential on the date the application for special use permit is submitted.

Section 2. Indianola Code Section 165, “M-2 General Industrial District Zoning Regulations,” is hereby amended to specify self-storage uses shall be permitted uses within the M-2 zoning classification and by adding the following new subsection concerning outdoor storage:

Special Requirements for Outdoor Storage:

1. Outdoor storage in M-2 General Industrial District is storage of recreational vehicles, boats, trailers and similar motorized vehicles.
2. Allow only as a special use within the M-2 General Industrial District zoning requiring approval by the Board of Adjustment, subject to Section 165.35(2) and the other requirements contained in M-2 General Industrial District zoning.
3. A minimum of five off-street parking stalls shall be required if a building in excess of 150 square feet is located on the site.
4. Not allowed to abut property that is zoned residential on the date the application for special use permit is submitted.

Section 3. Indianola Code Section 166.02, “Initial Procedure,” is hereby amended by adding the following concerning outdoor storage:

Notwithstanding anything contained herein, a site plan shall be required for any Outdoor Storage in M-1 Light Industrial District and M-2 General Industrial District.

Section 4. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

Section 5. This ordinance shall be in full force and effect after passage, approval and publication as provided by law.

PASSED AND ADOPTED at Indianola, Iowa, this ____ day of _____, 2016.

APPROVED this ____ day of _____, 2016.

Final consideration of an ordinance amending Chapter 94 Authorizing Time of Sales Inspections within the City Sanitary Sewer System

Information

Council needs to hold the final consideration of an ordinance (packet) authorizing time of sales inspections within the city sanitary sewer system.

WPC Superintendent Rick Graves and City Manager Ryan Waller shared this with realtors' from Iowa Realty and Exit Realty. Another local realtor was called but did not receive a call back. They also spoke with the County Recorder. After speaking with the realtors' and county recorder, the compliance timeframe was changed from 1 to 2 years, a re-inspection fee of \$50 for the first inspection and \$25 for re-inspections.

Staff would like to implement this ordinance starting March 1, 2017. This date will give ample time to share with the public by posting the ordinance on the city website, social media and adding information to the monthly utility bills.

Roll call is in order.

Memo
Ordinance

WATER POLLUTION CONTROL

To: Honorable Mayor and City Council

From: Rick Graves

Date: 11-14-2016

Re: Time of Sale Ordinance

Mayor and Council,

In your packet is a final draft of the Time of Sale Ordinance for your consideration. Ryan and I shared this with realtors' from Iowa Realty and Exit Realty. We attempted to call another local realtor but did not receive a call back. We also spoke with the County Recorder. After speaking with the realtors' and the county recorder, we have some changes from the first draft - compliance timeframe from 1 to 2 years (based on realtor feedback); a re-inspection fee (based on realtor feedback); a proposed fee of \$50 for first inspection and \$25 for re-inspections.

After your review of the ordinance and if you do not have any changes, we would like to implement the ordinance starting March 1, 2017. This date should give us ample time to share with the public by posting the ordinance on the city website, social media, and adding information to the monthly water bill.

Sincerely,

Rick Graves
WPC Supt.
City of Indianola

ORDINANCE NO. 2016 - _____

**ORDINANCE AMENDING THE INDIANOLA MUNICIPAL CODE BY
ADDING CHAPTER 94, AUTHORIZING TIME OF SALE INSPECTIONS
WITHIN THE CITY SANITARY SEWER SYSTEM**

WHEREAS, the City of Indianola is required by the Iowa Department of Natural Resources (IDNR) to reduce peak sanitary sewer flows caused by inflow and infiltration or the flow of clear water into the local wastewater collection system; and

WHEREAS, new Municipal Code Chapter 94 will address the requirements of the IDNR by implementing a Time of Sale Inspection on all single family dwelling properties within the City of Indianola sanitary sewer system to ensure that the discharge of unpolluted waters into the sanitary sewer system is restricted; and

WHEREAS, the City Council of the City of Indianola, Iowa now deems it proper to amend the Indianola Municipal Code Chapter 94 to the Municipal Code of the City of Indianola, Iowa entitled Sanitary Sewer Services – Time of Sale Inspections.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE
CITY OF INDIANOLA, IOWA:**

Section 1: That the Municipal Code of the City of Indianola, Iowa, be and it is hereby amended by adding a new Chapter 94 Sanitary Sewer Services – Time of Sale Inspections as follows:

94.01 Purpose

The Time of Sale Inspection is intended to help reduce peak sanitary sewer flows caused by inflow and infiltration or the flow of clear water into the sanitary sewer system. Iowa Department of Natural Resources (IDNR), which provides oversight of wastewater collection and treatment for the entire state, requires the City of Indianola to reduce peak flows to the local wastewater collection system. The Time of Sale Inspection allows the City to ensure that private properties have no illegal connections to the sanitary sewer system pursuant to Municipal Code Chapter 97.

94.02 Required Inspection

No person or entity shall transfer title of a single family dwelling property to another, nor accept from any other person or entity, the transfer of title to any structure or parcel of land upon which a structure is located within the City of Indianola sanitary sewer system unless and until the authorized Water Pollution Control Superintendent, or representative of the Superintendent, shall have inspected the sump pump system, lateral service line, interior floor drains, footing drains, yard drains, roof drains and downspouts, catch basins

and parking lot drains on said structure or parcel of land and certified to the City of Indianola that same is found to be in compliance with the provisions of this law, specifically Section 97.01, restricting the discharge of unpolluted waters into the sanitary sewer system in the City of Indianola sanitary sewer district; and the Water Pollution Control Superintendent or his/her designee has issued a Certificate of Compliance stating compliance. This section shall not apply to transfers of property by gift, intestacy or testamentary disposition; transfers pursuant to the federal bankruptcy act; transfers under Warren County Property Tax Foreclosures; and mortgage foreclosures or lateral lines that have been identified as multiple service. The fee required for inspection and any re-inspection shall be set by resolution of the City Council.

94.03 Property Owner Responsibility

The property owner must request a time of sale inspection by filing an application with the City of Indianola Water Pollution Control Department within at least fifteen (15) working days after listing said property. The fee required for this inspection, and any re-inspection, shall be set by resolution of the City Council. Upon successful inspection, the Office of Water Pollution Control will issue a Certificate of Compliance, which will expire after a period of two (2) years. The Certificate of Compliance shall be attached to the Groundwater Hazard Statement and presented to the Recorder along with all other required transfer documents.

If the inspection fails, the Water Pollution Control Superintendent will provide notice to the property owner(s) describing the prohibited discharges and recommendations to cure such discharges. When required, all permits necessary to cure violations must be obtained from the Community Development Department. The fee required for such permits shall be set by resolution by the City Council.

94.04 Suspension of Certificate of Compliance

The Water Pollution Control Superintendent, subject to the following, may temporarily suspend the requirement of a Certificate of Compliance as a prerequisite to transfer of title, as specified in the preceding section, provided that it is no later than ten (10) working days prior to the expected closing for said transfer:

1. The seller makes a written request to the Water Pollution Control Superintendent and such request includes a written, itemized quote from a plumber licensed with the State of Iowa that provides for correction of all identified discharges and addresses all recommendations specified in the Notice of Violation; and
2. The seller and purchaser shall have filed with the Water Pollution Control Superintendent a written guaranty to correct any identified deficiencies on said structure or parcel of land within 90 days after closing of sale or a period of time specified by the Water Pollution Control Superintendent; and
3. The purchaser or seller shall have provided a sum equal to 150% of the estimated costs contained in the itemized quote provided in item (1) above. Such sum shall be payable by certified check or bank draft at closing and held in escrow. Such sum will

be returned to the seller or purchaser if the corrections are completed within the time specified in the guaranty, but said sum shall be forfeited to the City of Indianola if needed corrections are not completed within the time frame specified in the written guaranty.

In the event that the needed corrections are not completed within the time specified in the written guaranty, the temporary waiver issued by the Water Pollution Control Superintendent shall immediately expire and the purchaser shall be subject to the penalties described in Section 99.05 (C).

94.05 SPECIAL PENALTIES. The following special penalty provisions shall apply to violations of this chapter:

1. Notice of Violation. Any person found to be violating any provision of this chapter shall be served by the City with written notice stating the nature of the violation and providing a reasonable time limit for the satisfactory correction thereof. The offender shall, within the period of time stated in such notice, permanently cease all violations.

2. Continuing Violations. Any person who shall continue any violation beyond the time limit provided for in subsection 1 hereof shall be in violation of this Code of Ordinances. Each day in which any such violation shall continue shall be deemed a separate offense.

3. Liability Imposed. Any person violating any of the provisions of this chapter shall become liable to the City for any expense, loss, or damage occasioned the City by reason of such violation. Further, a violation of the provisions of this chapter shall be a violation considered a municipal infraction punishable in accordance with Chapter 4 of the Municipal Code.

Section 2: All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

Section 3: This ordinance shall be in full force and effect on _____.

PASSED AND APPROVED this _____ day of _____, 2016.

Resolution approving the offer from the Kadoka Volunteer Fire Department of South Dakota for the purchase of the #338 Fire Guard Ford F350 2009 Grass Truck in an amount of \$45,000 and authorizing execution of documents and completion of transaction

Information

In your packet is the resolution approving the offer from the Kadoka Volunteer Fire Department of South Dakota to purchase the #338 Fire Guard Ford F350 2009 Grass Truck. Highlights of the resolution include:

- The City previously approved Resolution No. 2016-88 designating this apparatus as surplus property and does not have a need for such utility apparatus.
- The City staff was authorized to actively market the apparatus and to bring proposals for purchase to the Council for review and approval.
- The Kadoka Volunteer Fire Department of South Dakota has a need for the 2009 F350 Grass Truck and is willing to purchase the unit for the sum of \$45,000, which the City agrees is fair market value for said equipment.

FYI - The vehicle was listed at a price of \$55,000.00 and appraised at \$50,000.00 by Fire Tec Inc. The department received requests and interest from the following Cities but they refused pursuing the purchase stating the price was to high.

(Colby KS, Truro IA, Dubuque IA area, Dyersville IA area, Royal NE and New Virginia IA).

The offer made by Kadoka VFD is accepted contingent upon the transition of Indianola's new Grass Truck being delivered prior to possession of the 2009 unit.

Roll call is in order

Consideration of a request from the Fire Department to apply for a SAFER grant to help fund three additional Fire Fighters/Paramedics

Information

In your packet is Fire Chief Chia's memo requesting to submit a Staffing for Adequate Fire and Emergency Response (SAFER) Grant application. Authorization is requested because if awarded, departmental costs will be increased by \$295,878.90 at the conclusion of the grant period (36 months).

The SAFER Grant was created to provide funding directly to fire departments and volunteer firefighter organizations to help them increase or maintain the number of trained, "front line" firefighters available in their communities. The goal of SAFER is to enhance the local fire departments' abilities to comply with staffing, response and operational standards established by the National Fire Protection Association. SAFER intends to improve or restore local fire departments' staffing and deployment capabilities so they may more effectively and safely respond to emergencies.

Indianola's application is a request for three additional positions for Firefighter/Paramedic. If awarded, the Department will be able to add one employee per division and structurally allows the staffing of an engine company or 1.5 medic units.

Recommendation

Simple motion is in order.

SAFER Memo

Memo

TO: Mayor Kelly Shaw and City Council Members
CC: City Manager Ryan Waller
FROM: Fire Chief Gregory M. Chia
DATE: December 28, 2016
RE: Request to Submit SAFER Grant

In accordance with the Council's Strategic Plan (City Staffing: Develop staffing plan to address current and projected needs) I am requesting to proceed with a submission of a SAFER (Staffing for Adequate Fire and Emergency Response) Grant Application.

The Staffing for Adequate Fire and Emergency Response Grant was created to provide funding directly to fire departments and volunteer firefighter organizations to help them increase or maintain the number of trained, "front line" firefighters available in their communities. The goal of SAFER is to enhance the local fire departments' abilities to comply with staffing, response and operational standards established by the NFPA (NFPA 1710 and/or NFPA 1720). SAFER intends to improve or restore local fire departments' staffing and deployment capabilities so they may more effectively and safely respond to emergencies.

Period of Performance: 36 Months, Hiring of Firefighters Activity Category:

Date Posted to Grants.gov: 12/22/2016

Application Start Date: 01/09/2017 at 8:00 AM Eastern Time

Application Submission Deadline: 02/10/2017 at 5:00 PM Eastern Time

Cost Share or Match

Recipients of SAFER Hiring of Firefighters Activity grants are required to contribute non-federal funds subject to a Position Cost Limit and a Cost Share, as described below.

Position Cost Limit (No Waiver Available):

The amount of federal funding provided to a recipient for hiring a firefighter in any fiscal year may not exceed—

- in the first year of the grant, 75 percent of the usual annual cost of a first-year firefighter in that department at the time the grant application was submitted;
- in the second year of the grant, 75 percent of the usual annual cost of a first-year firefighter in that department at the time the grant application was submitted; and
- in the third year of the grant, 35 percent of the usual annual cost of a first-year firefighter in that department at the time the grant application was submitted.

Indianola's application is a request for 3 additional positions of Firefighter/paramedic. This request if awarded supports 1 employee per division and structurally allows the staffing of an engine company or 1.5 medic units.

Estimated City's Cost				
	FF1	FF2	FF3	Total
Year 1	\$21,440.50	\$21,440.50	\$21,440.50	\$64,321.50
Year 2*	\$21,440.50	\$21,440.50	\$21,440.50	\$64,321.50
Year 3*	\$55,745.30	\$55,745.30	\$55,745.30	\$167,235.90
Total	\$98,626.30	\$98,626.30	\$98,626.30	\$295,878.90

*Does not include annual wage increases.
