Grass Clippings

When mowing your lawn please keep grass clippings off the street. Grass clippings on the street are an eyesore and can clog storm runoff drains causing localized flooding. Also, your lawn will benefit from the natural compost provided by the grass clippings.

Thanks for your help!

**Comprehensive Plan
Public Input Meeting**

Tuesday, June 28, 2011
6:00 p.m.

City Hall
Council Chambers
(110 North 1st Street)

A powerpoint presentation will be given highlighting the proposed plan and the process taken to this point. Following the presentation, public input regarding any portion of the plan is welcome.

Weeds & Tall Grass

The City of Indianola asks that all weeds and tall grass be kept mowed. In addition to enhancing the beauty of the community, keeping grass mowed reduces the severity of some allergies, slows the growth of additional weeds, and significantly reduces the danger of fire during hot, dry periods. Property owners are responsible for the maintenance of their properties.

**New Meeting Times
and Locations**

Please note that the regular start time for the Council Study Meeting has moved to 6:00 p.m. in the Council Chambers. The Board of Trustees **first** monthly meeting has moved its meeting location to the east conference room upstairs next to the Police Department at City Hall.
