Grass Clippings

When mowing your lawn please keep grass clippings off the street. Grass clippings on the street are an eyesore and can clog storm runoff drains causing localized flooding. Also, your lawn will benefit from the natural compost provided by the grass clippings.

Thanks for your help!

Wood Mulch

Mulch is available at the Indianola Brush Facility during normal hours of operation free of charge. Individuals wanting mulch will need to provide their own containers and assistance is not normally provided except on the second Saturday of the month.

On the second Saturday of the month from 9:00 am - 12:00 pm assistance for loading pick-ups and/or trailers is provided for a fee of \$10.00 per load. The fee helps to off-set equipment and personnel expense. The fee will go into effect on May 14th for those wanting assistance with loading mulch material.
