Grass Clippings

When mowing your lawn please keep grass clippings off the street. Grass clippings on the street are an eyesore and can clog storm runoff drains causing localized flooding. Also, your lawn will benefit from the natural compost provided by the grass clippings.

Weeds & Tall Grass

The City of Indianola asks that all weeds and tall grass be kept mowed. In addition to enhancing the beauty of the community, keeping grass mowed reduces the severity of some allergies, slows the growth of additional weeds, and significantly reduces the danger of fire during hot, dry periods. Property owners are responsible for the maintenance of their properties.
