

Utility Bill Scam

The City of Indianola advises customers about a nationwide utility bill scam that has reached the Des Moines metro area.

The scam claims President Barack Obama is providing credits or applying payments to utility bills. Customers are asked to provide their social security numbers to apply for the program. The scammers then give customers a phony bank routing number. Customers are told to provide the routing number to pay their utility bills or to receive a credit on their utility bills. If the routing number is entered during an online transaction, it may appear that the customer's bill has been paid (or that credit has been applied), but no government funds are applied to the customer's account, and the balance remains due. According to reports, the scammers are also using e-mail, text messages, and social media to reach customers.

If you think you have provided The City of Indianola with an incorrect bank routing number, please contact us at (515) 961-9410.

Wood Mulch

Mulch is available at the Indianola Brush Facility during normal hours of operation free of charge. Individuals wanting mulch will need to provide their own containers and assistance is not normally provided except on the second Saturday of the month.

On the second Saturday of the month from 9:00 am - 12:00 pm assistance for loading pick-ups and/or trailers is provided for a fee of \$10.00 per load. The fee helps to off-set equipment and personnel expense.

Grass Clippings

When mowing your lawn please keep grass clippings off the street. Grass clippings on the street are an eyesore and can clog storm runoff drains causing localized flooding. Also, your lawn will benefit from the natural compost provided by the grass clippings.

Thanks for your help!
