

Body Pump & Body Transformation

Mondays & Wednesdays
6:15 p.m. - 7:15 p.m.
March 4th - May 1st
Irving Elementary Gym

Come get pumped and totally transform your body at the same time. This class features two segments of body sculpting. Class will consist of a variety of changeup routines to help you burn fat from within. There will be reps of 60 seconds per exercise and you are on the move! It's a technique that encourages quality reps instead of rushed reps, and soothing short stretches. You will work thermogenics to burn fat from within, tone, lose weight, and gain strength and conditions. We will work upper and lower body and abs. You will be motivated because you will see great results! Participants will need a set of 3lb weights for women and 8 lb weights for men, mat, towel, and water. Instructed by Janet Ray. **Registration deadline is Monday, February 25th.**
