Free mental health awareness seminar. Join us as guest speakers Joan Becker and Sherri Sinclair discuss the role that mental illness played in their children's lives. Joan's son, Mark Becker, was convicted of shooting and killing Parkersburg coach, Ed Thomas. Joan has become an advocate for mental health awareness and has spoken at many different events across the state. Sherri's daughter, Kelli, tragically took the life of her 2 year old son, Gavin, before taking her own life. Sherri will speak about the struggles her daughter encountered and is also a mental health awareness advocate. This event is free and open to the public.

Positive reinforcement methods will be used (such as food rewards). Instructor LaDonna Hutchcroft has over 20 years of experience showing and training dogs. Note: Due to a class structure which involves a high level of socialization in a group setting, the instructor requests no pit bulls please.
