

NOTICE

Recently, the City of Indianola Community Development Department made changes to codes and policies that may affect you or your business.

In April 2013, the 2009 I.C.C codes were adopted. Please follow the 2009 International Building Code, the 2009 International Residential Code, the 2009 International Mechanical Code, the 2009 International Fuel Gas Code, the 2009 International Fire Code and the 2011 National Electrical Code.

Furthermore, we are still following state licensing procedures. If you are performing work within the city limits of Indianola, our office requires you to provide a copy of your state license and proof of insurance prior to obtaining a permit. No increases to any of the permit fees have been made. If you have any questions, please contact Community Development at 961-9430.

The City of Indianola is now on Facebook! Be sure to "Like" us for information on projects, news, and events happening in Indianola.

Grass Clippings

When mowing your lawn please keep grass clippings off the street. Grass clippings on the street are an eyesore and can clog storm runoff drains causing localized flooding. Also, your lawn will benefit from the natural compost provided by the grass clippings.

Thanks for your help!
