## IMU Alert System

Now customers can receive important alerts from Indianola Municipal Utilities via email, text message or both! The utility's new Alert System is free to all customers and easy to sign up for. Simply go to [www.i-m-u.com/Alerts.aspx](http://www.i-m-u.com/Alerts.aspx) to enter a valid email address and mobile phone number (if desired) to begin receiving utility alerts. Customers can unsubscribe at any time.

This new alert system is not designed to target specific addresses or neighborhoods. Therefore, IMU will continue to give advanced notice when known addresses will be affected by planned water, electric or network service projects.

The new alert system will be used to communicate information during widespread utility outages, including estimated outage times. Subscribers will also be alerted when it's important to reduce or curtail electric consumption.

Don't worry, we promise not to inundate your inboxes. General utility information can be found on our web site at [www.i-m-u.com](http://www.i-m-u.com) or by calling 515-962-5302, as we are happy to answer your questions.
