We all need to keep Indianola beautiful...

When you leave a beautiful place, you carry it with you wherever you go.”

- Alexandra Stoddard

To me, Indianola has always been special. It is a “right size” community where we are not too big nor too small. A place that cares about its citizens and works to better its surroundings. A city where citizens can take ownership of an idea and run with it and in the end makes it better for all of us. The recent public art murals are a great example of citizens coming up with an idea and running with it. And, in the end, all of us benefit!

I am grateful for the property owners and the local artists who have shared this beauty with Indianola over the years. The recent ones, especially, have added color, vitality and warmth to our town. To me, it not only positively impacts our citizens, but also all of our visitors. I always want Indianola to be known as a great place to live, work and play. We have made great progress on this front, and these murals have added greatly to our community. And, hopefully, our visitors are taking notice too!

I’m also grateful for the Keep Indianola Beautiful committee who have worked hard for years to do what their name says. Hometown Pride is another group that is working toward this cause. And, the most recent city commission, Indianola Public Arts Commission, has also been working to bring art (the interactive kind too!) and beauty to our community. Volunteers make a difference – thank you!

When we work collectively, we build a better community. This summer a group of citizens were concerned with the Square and organized a Square Clean-Up Project. Another group were concerned about some weeds in a city park, and a citizen took it upon himself to pick the weeds and make the park look better. Kudos and thanks to all who participated.

I have participated in several Indianola Clean-Up Days. Sometimes, it is nice to take a break from the normal routine and spend some quality time outdoors looking for garbage and surprising finds! I would invite you to do the same and help keep Indianola beautiful. Find ways to make not only your space beautiful, but look for ways to make public spaces beautiful as well. We, collectively, leave an impression. Visitors notice when a town takes pride in itself. Instead of posting on Facebook, take ownership of the concern and make it better! If you spot something, please say something by contacting me, one of our council members, or by calling/emailing City Hall. Our team will work hard to properly address the issue.

When we work together, we build a better and more beautiful community.
Over coffee one of these last weekends, my wife and I were sharing in our disbelief that September is here and that the summer is essentially behind us. This talk of disbelief transitioned quickly into reminiscing about the great times that our family had these last few months. Not surprisingly, most of these conversations were about the times spent with family and friends here in Indianola - attending a parade, shopping on the Square and at other local businesses, catching a performance at DMMVO, visiting the Warren County Fair, and literally living at the ballon field for the Classic.

Similarly, the dedicated City Staff remained busy this summer making sure that:

- Our facilities like the pool and the library were open, maintained and enjoyable.
- Our parks and trails were maintained and enjoyable. Our investment in Indianola's important infrastructure at right).
- Our parks and trails were maintained and enjoyable. And I would be remiss if I did not highlight that much of
- The city council and staff have worked hard to make positive things happen in Indianola. The city council is the policy maker that is replacing our WRRF (Water Resource Recovery Facility)
- The Square is currently in Phase 1 with the anticipated completion date of this Phase in November.
- The city council and staff have worked hard to make positive things happen in Indianola. The city council is the policy maker that is replacing our WRRF (Water Resource Recovery Facility)
- The Square is currently in Phase 1 with the anticipated completion date of this Phase in November.

As we look ahead to next year, our investment into Indianola's important infrastructure like sewers and roads continued:
- The East Iowa extension project, which was funded 50% by a grant and provides several economic development benefits for our community, was completed on-time.
- The Square Reconstruction project, which replaces and upgrades 70 to 100+ year old infrastructure, commenced in June and as of the writing of this article is ahead of schedule.
- Major repairs were completed on South R Street, between the 900 and 1300 blocks, as well as other roads in our community.
- The Water Resources Recovery Facility construction project, which will be among the first wastewater treatment facilities in Iowa to meet the state's new nutrient removal requirements, is about 50% completed and as of the writing of this article, remains under budget.
- The Valley Place Reconstruction project, which will reconstruct the road from North 1st Street to North Jefferson Way, began at the end of August and is scheduled to be completed by the beginning of November (weather permitting).

And I would be remiss if I did not highlight that much of the above was the result of our award-winning budget, our new nutrient removal requirements, is about 50% completed and as of the writing of this article, remains under budget.

While the underground portion of this project is extremely important, the above ground improvements will make our town Square more attractive, in addition to the aforementioned pedestrian safety. Some of those improvements will include wider sidewalks, permeable pavers that will allow for better removal of storm water away from buildings and concrete surfaces, shorter pedestrian crosswalks (distance from sidewalk to sidewalk), benches, trees, more efficient streetlights, and street signage. One item that needs some additional explanation as it relates to this project is monuments. In this case we are not building statues but are incorporating directional and identification signage, such as an archway that says "The Square" along with other signage, so visitors can easily find the Square and support our local businesses. In all of my years living in Indianola, some 58 years now, I've always heard our downtown area called The Square. I hope this information is helpful as people continue to see the progress, taking place on our Square. The Streetscape project is currently in Phase 1 with the anticipated completion date of this Phase in November.

Another recent happening in our City is the conversion of Buxton, Howard, and the Square from one way traffic to two way traffic. I've heard many positives comments related to this change and includes an entirely new perspective when driving north on Buxton and viewing the Des Moines Metro Opera building, Simpson College campus, and the treasure of Buxton Park. Other comments have referred using less confusing traffic flow and a reduced thoroughfare mentality of drivers, which ultimately have made these streets safer.

A major project currently under construction is our new WRRF (Water Resources Recovery Facility) that is replacing our old sewer plant. This plant will be one of the first of its kind in the State of Iowa and is being built to address new regulations for control that will be mandated by the IDNR (Iowa Department of Natural Resources) for facilities all across the State. We will cover the other improvements and other comments while many other comments while many other comments will be undergoing expensive changes to their systems to be in compliance. The WRRF will be a major asset for our community.

We have several housing developments that are in the construction, planning, or exploration phases. This will help the growth of Indianola which will aid in the attraction of additional commercial development. The new comprehensive plan, recently enacted, helps define the type of growth throughout the city.

The city council and staff have worked hard to make positive things happen in Indianola. The council is the policy maker and establishes the plans for the city staff to execute. Ryan Waller, our City Manager, has assembled knowledgeable and experienced staff to accomplish the plans. The council has always asked Ryan to offer opinions or give feedback on the process so that the council is making informed and factual decisions. It has truly been a pleasure for me to work with the other members of council, our current Mayor, Pam Pepper, and Ryan Waller along with the balance of this City's dedicated employees.

Board & Commission Members Needed
APPLICATIONS AVAILABLE ONLINE

The City of Indianola has ten boards and commissions to advise the City Council, plus an additional board to oversee Indianola Municipal Utilities. These groups are vital to the success of the community. They can perform in-depth research of issues pertaining to the city and provide recommendations to the Council. Boards and commissions shape public policy and contribute to the quality of life of residents in Indianola.

 Members of our boards and commissions bring a broad range of experience, expertise and ideas to the table when assisting with various issues. The members are a communication channel between elected officials, staff and the community. Volunteering to serve on a board or commission is one way for citizens to get involved with their city government.

 BOARD OF ADJUSTMENT
This Board reviews applications for variances (zoning setbacks, lot area, off street parking, etc.), rules on special uses and structures listed, and listens to/decides upon appeals or administrative decisions. The Board consists of five members who serve 5-year terms.

One opening effective July 1, 2022.

 CIVIL SERVICE COMMISSION
The commission administers the civil service procedure and is involved in the hiring process for the Fire and Police Department as specified by code. The commission consists of seven members that serve 4-year terms.

One opening effective April 1, 2022.

HOMETOWN PRIDE COMMITTEE
The committee’s mission is to bring neighbors together to build a sense of community, create and improve public amenities, and celebrate what makes our hometown great. The board consists of eleven members who serve 2-year terms.

Two openings effective July 1, 2021.

IMU BOARD OF TRUSTEES
This Board manages and controls the city’s waterworks, electric, light and power plant and also provides telecommunication services. The Board consists of five members serving 6-year terms.

One opening effective July 1, 2022.

PUBLIC ARTS COMMISSION
Comprised of nine residents who shall encourage the cooperation and coordination of projects in the field of arts that will enhance the cultural level of the arts in the community.

One opening effective immediately.

LIBRARY BOARD OF TRUSTEES
This Board has charge, control and supervision of the Library, its appurtenances, fixtures, rooms, and personnel. The Board consists of seven members serving six year terms.

MEMORIAL AQUATIC CENTER COMMISSION
The commission consists of honorably discharged soldiers, marines, airmen or coast guard members who manage and control the Veteran’s Memorial Aquatic Center and establish rules and regulations for management. The Commission consists of five members serving 5-year terms.

PARK AND RECREATION COMMISSION
This commission advises City Council on the needed facilities to provide open spaces such as parks, playgrounds and community facilities for other forms of recreation. It oversees city programs and encourages other programs for the leisure time of the City residents of all ages. The commission consists of six members serving 3-year terms.

Two openings effective July 1, 2022.

PLANNING & ZONING COMMISSION
This commission is qualified by knowledge or experience to act in matters pertaining to the development of the City Plan. The commission consists of nine members serving 5-year terms.

Two openings effective immediately, and one opening effective July 1, 2022.

SUSTAINABILITY COMMITTEE
Reviews options to become a “greener” community and reduce the city’s carbon footprint.

HUMAN RELATIONS COMMISSION
Fosters the use of the procedures and programs of the Iowa Civil Rights Commission and increases awareness, understanding and appreciation of diversity, equity and inclusion within the community.

Seven openings effective immediately.

Welcome, New Team Members!

City Employees Reach Service Milestones
5 Years
Fire Chief Greg Chia
Firefighter/Paramedic

10 Years
Police Detective Luke Buhrow
Library Director Michele Burkhart-Patrick

15 Years
Police Sergeant Justin Keller

20 Years
Public Works Foreman Matt Anders
Police Lieutenant Rob Hawkins

Fire Training Captain Aaron Hurt Named 2020 Employee of the Year
Hurt was awarded Employee of the Year at the Annual Awards Banquet in June. Also nominated for the award were:
Tim Little, Community Development
Kelsey Purdy, Library
Erik Elwell, Streets
Kevin Crawford, Water Pollution Control
Jackie Raffety, Internal Services
Congratulations to all for your outstanding contributions to the city!
Community Development
The City is Required to Adopt a Rental Housing Code. What Does it Mean?

Rental Inspection Program
With numbers coming in for the 2020 Census, the City of Indianola has surpassed a population of 15,000. Iowa Code 364.17 “City Housing Codes” requires cities with a population over 15,000 to adopt a residential rental code. The code includes minimum requirements such as implementing frequent rental inspections, a complaint process, and certifying rental properties. Citizens and members of the rental housing community can expect an ordinance to go into effect in early 2022.

Certification of Rental Properties
As required by Iowa Code, rental properties and units will need to be certified prior to renting/leasing units. Registration will occur through the City of Indianola Community Development Department. Certificates will be granted following inspection so long as the property and units are in compliance with the adopted rental housing code.

Inspections
Also required is the implementation and execution of a frequent inspection program. Inspections will be conducted by the Code Enforcement Officer. Property owners/managers of rental housing will schedule a date for the inspector to come and inspect the property, while giving tenants notification at least 24 hours in advance, as required by state law. It is anticipated that regular inspections will happen once every two years.

Complaint-Based Inspections
Lastly, a complaint-based inspection procedure is required by state code. Tenants will have an opportunity to report a complaint or concern to the Community Development Department. The complaint will also be routed to the Property Owner/Manager. Complaints will need to be addressed in a timely manner and a complaint-based inspection may be conducted.

Sidewalk Maintenance Requirements
Did you know that it is the responsibility of abutting property owners to maintain the sidewalk in a safe and hazard-free condition?

This includes the removal of snow and ice from the sidewalks within 48 hours of such an event.

It is also the responsibility of the abutting property owners to repair, replace or reconstruct all defective sidewalks.

The following characteristics are considered when determining if a sidewalk is defective:

• Vertical separations equal to three-fourths inch or more.
• Horizontal separations equal to one inch or more.
• Holes or depressions equal to three-fourths inch or more and at least four inches in diameter.
• Spalling over 50 percent of a single square of the sidewalk with one or more depressions equal to one-half inch or more.
• Spalling over less than 50 percent of a single square of the sidewalk with one or more depressions equal to three-fourths inch or more.
• A single square of sidewalk cracked in such a manner that no part thereof has a piece greater than one square foot.
• A sidewalk with any part thereof missing to the full depth.
• A change from the design or construction grade equal to or greater than three-fourths inch per foot.

Abutting property owners can be held liable for injuries and other damages caused by defective sidewalks or failure to maintain the sidewalk in a safe and hazard-free condition.

Concrete Spalling

Learn more about the program or take the survey by visiting our website:
www.indianolaiowa.gov/1010/Rental-Housing

Tree Maintenance Requirements
As you begin your fall yard maintenance this year, please remember that it is the duty of all property owners having trees abutting or overhanging any public property, including streets, alleys, and sidewalks, to:

• Keep all trees pruned so that the lower branches are not less than eight feet above sidewalks and sixteen feet above streets and alleys.
• To maintain all trees to not interfere with the visions of drivers or vehicles approaching any intersection, street or alley.
• To keep all trees trimmed so they do not obstruct streetlights or traffic signs/signals.
• To remove or prune all limbs of trees that are or may become dangerous, or a potential nuisance to abutting property.
• To remove all dead or dying trees from private property that is considered dangerous to the public from falling limbs.

The Indianola Brush Facility accepts trees and branches from residents.

For more information on the Brush Facility, see pages 40-41, or visit https://www.indianolaiowa.gov/323/Brush-Facility.
Indianola Fire Department

New Equipment
The Indianola Fire Department has received new apparatus.

Truck 334 is a Sutphen aerial that arrived in early September. It has a 75-foot, mid-mount aerial ladder. The primary role of a fire department aerial is rescue, ventilation and building access. In addition, the fire suppression abilities of the nozzle at the end of the aerial ladder will make the department's fire response much more versatile and aggressive.

mid-mount aerial ladder. The primary role of a fire department aerial is rescue, ventilation and building access. In addition, the fire suppression abilities of the nozzle at the end of the aerial ladder will make the department's fire response much more versatile and aggressive.

Drive Safely
School is back in session.
In addition, autumn months will bring later sunrises and earlier sunsets. The Indianola Fire Department asks all drivers to use extreme caution when driving residential streets at any time of day. Please also use extreme caution when driving in school zones and when approaching school buses.

Remember that extracurricular activities in the mornings and evenings may mean children are present even outside of normal school hours. Be prepared for younger children who may suddenly dart into a street or for older children walking along unaware while being distracted by mobile phones.

Fire Prevention Week
October 3 - 9, 2021
The Public Safety Open House will be Thursday, October 7, at the Fire Station and Police Department, from 6:00 p.m. until 8:00 p.m.

The National Fire Protection Association (NFPA), has named the theme for this year’s fire protection week “Learn the Sounds of Fire Safety!” The program this year works to educate everyone about the different sounds the smoke and carbon monoxide alarms make. Knowing what to do when an alarm sounds will keep you and your family safe. When an alarm makes noises – a beeping sound or a chirping sound – you must take action.

Meeting the Needs of a Growing Community
The community of Indianola continues to grow. Calls for service to the fire department continue to increase every year. The department’s staffing needs are rapidly increasing, as well as changes in our organizational structure.

15 years ago, a combination fire department of volunteers, part-time staff and a few full-time staff served the community. The community of Indianola continues to grow. Calls for service to the fire department continue to increase every year. The department’s staffing needs are rapidly increasing, as well as changes in our organizational structure.

15 years ago, a combination fire department of volunteers, part-time staff and a few full-time staff served the community. The community of Indianola continues to grow. Calls for service to the fire department continue to increase every year. The department’s staffing needs are rapidly increasing, as well as changes in our organizational structure.

With your help, the fire department will continue to make the changes necessary to continue our Mission Statement of protecting the lives and property of the residents of Indianola.
WANTED
LIVE ASH TREES

Thank You to those who have chosen to Treat & Save Their Ash Trees

Call Doug Blakely, your local certified arborist, for an Ash Tree Inspection.

TEXT DOUG BLAKELY 515-240-6600
or call 515-961-2593 to leave a message

INSTRUCTIONS:
- Apply approved treatment
- Call Doug Blakely for an inspection
- Return email to info@thetreepeople.com

INDIANOLA’S TRICK OR TREAT NIGHT IS SATURDAY, OCTOBER 30
6:00 - 8:00 PM

Thank you to those who have chosen to Treat & Save Their Ash Trees.

Call Doug Blakely, your local certified arborist, for an Ash Tree Inspection.

or call 515-240-6600

究BINGO NIGHT
Most second Tuesdays at 7pm 10/12, 11/16
Win prizes ranging from mystery bags, an Amazon gift card, or household products to save you a trip to the store!

GORE!: A DIY HALLOWEEN MAKEUP TUTORIAL
Thursday, 10/7, 8:00am
Learn how to do Halloween makeup with a tutorial and hands-on experience for teens and adults only.

HALLOWEEN PARTY MURDER MYSTERY
Friday, 10/22, 8:30pm
You are invited to a Halloween Party at the library! The real question is: will you make it out once the party is over? Choose between being a suspect or a sleuth in this live action murder mystery event. Snacks and drinks will be provided and costumes are encouraged. Registration is required, and begins Oct 1st on the library’s website, BYOB, beer and wine only.

CRAFT & CHAT
Supplies provided; registration not required
10/7, 7pm - 3D Paper Crafts
10/14, 6pm - Present Wrapping Workshop

HANDPICKED
A box of 1-5 books and/or DVDs personally picked for you! Boxes include small themed gifts. Sign up each month by the 7th to get your handpicked box on the 15th. Register on the library’s website.

GAME NIGHT
Thursday, 11/18, 7pm
We’ll be playing Jackbox, Among Us, strategic board games and more! BYOB, beer and wine only.

BOS TRIVIA NIGHT
Thursday, 11/4, 7pm
Test your 80s trivia knowledge! There will be prizes and the event is BYOB, beer and wine only. Teams cannot have more than five members.

BOOK CLUBS
Books are available for checkout one month before the discussion from the library’s front desk.

MORNING BOOK CLUB - 2nd Fridays, 10am
(Except Oct meeting)
10/26: All Iowa Reads Little Faith, by Nicholas Butler
11/2: Malibu Rising, by Taylor Jenkins Reed
12/10: The Rose Code, by Kate Quinn

EVENING BOOK CLUB - 4th Tuesdays, 6:30pm
10/26: All Iowa Reads Little Faith, by Nicholas Butler
11/23: Home Fire, by KBITIB Saharian
*no meeting in December*

NERF ATTACK!
Every 2nd Friday, 5:30 – 7:00pm
As always, it’s after hours, and you’ll have the run of the library. NERF supplies are provided. Outside NERF supplies will not be allowed.
GET READY FOR 10-DIGIT DIALING

The Federal Communications Commission has adopted 988 as a new three-digit number to be used nationwide to reach the National Suicide Prevention and Mental Health Crisis Lifeline, starting July 16, 2022. You must continue to dial 1-800-273-TALK to reach the Lifeline until July 16, 2022.

In order for 988 to work in the 515 area code, mandatory 10-digit local dialing will be implemented. You will need to dial the area code for all local calls starting on October 24, 2021.

What will be the new dialing procedure?
To complete all local calls, you will now need to dial area code + telephone number. This applies to all calls within your area code that are currently dialed with seven digits.

Who will be affected?
Anyone with a telephone number from the 515 area code will need to make a change from 7-digit local dialing to 10-digit local dialing.

When will the change begin?
Beginning October 24, 2021, you must dial 10 digits (area code + telephone number) for all local calls. On and after this date, local calls dialed with only 7 digits may not be completed, and a recording will inform you that your call cannot be completed as dialed. You must hang up and dial again using the area code and the 7-digit number.

Beginning July 16, 2022, dialing “988” will route your call to the National Suicide Prevention and Mental Health Crisis Lifeline.

What will you need to do?
In addition to changing the way you dial local calls, all services, automatic dialing equipment, or other types of equipment that are programmed to complete calls to 7-digit local numbers will need to be reprogrammed to complete calls to 10-digit numbers. Some examples are life safety systems or medical monitoring devices, PBXs, fax machines, Internet dial-up numbers, fire or burglar alarm and security systems or gates, speed dialers, mobile or other wireless phone contact lists, call forwarding settings, voicemail services and other similar functions. Be sure to check your website, personal and business stationery, advertising materials, personal and business checks, contact information, your personal or pet ID tags, and other such items to ensure the area code is included.

What will remain the same?
• Your telephone number, including current area code, will not change.
• The price of a call, coverage area, or other rates and services will not change due to the dialing change.
• What is a local call now will remain a local call regardless of the number of digits dialed.
• You will continue to dial 1+ area code + telephone number for all long distance calls.
• You can still dial just three digits to reach 711 (relay services) and 911 (emergency services).
• Any 211, 311, 411, 511, 611, or 811 services can still be reached by dialing their three-digit codes.
• The National Suicide Prevention Lifeline can still be reached by dialing 1-800-273-TALK (8255).

Who may you contact with questions?
If you have any questions regarding information provided in this notice, please call IMU Fiber at 515-961-9444 or access www.indianola.com for more information.
You can also visit the FCC website at https://www.fcc.gov/suicide-prevention-hotline.
WHAT ARE YOUR COVID-19 PROTOCOLS AND POLICIES?

Policies will vary. please see individual activities for specific details. CDC guidelines will be followed for the health and safety of participants and staff.

WHAT IS YOUR REFUND POLICY?

Unless otherwise noted, refunds/criffs will gladly be given as long as your refund request is made by 5:00 pm on the business day prior to the start of the program, less all costs already incurred. Any time after that date, a pro-rated refund/credit will only be granted for illness, medical reasons or other unavoidable circumstance. Physician’s written verification required. Must make request within 7 working days.

WHAT IS YOUR CANCELLATION POLICY?

We reserve the right to cancel a program or activity that does not meet the minimum number of participants.

REGISTRATION REMINDERS
- Participants’ age must fall within age requirements by the program’s beginning date.
- Participants are not registered until payment is received.
- Resident/Nonresident Fees: Registration fee discounts will be given to people who live within the city limits of Indianola, because residents make a significant contribution to the financing and operation of the department through property taxes. Nonresidents (those who live outside city limits) pay regular program fees.

PLEASE NOTE:
- Participants in any program assume full responsibility for their participation, please contact our office by phone or in writing. We are waiting to serve you.

ATTENTION ACTIVE PARTICIPANTS
- By their very nature, many Parks & Recreation programs involve body contact, substantial physical exertion, emotional stress, and/or use of equipment, which represents a certain risk to users. Our recommendation is to check with your physician prior to participating in these activities.

PHOTOGRAPHS
- Photographs may be taken by our staff at activities and events, including The Zone. These are for department use and may be reproduced in city publications and on our website. If you have concerns about your child being photographed, please let us know.

TO OUR PARTICIPANTS WITH SPECIAL NEEDS
- If you need special accommodations for program participation, please contact our office by phone or in writing. We are waiting to serve you.

THE INDIANOLA KEY CARD: LOW INCOME FEE ASSISTANCE PROGRAM

The Key Card program is designed to open doors to recreation for children who could not otherwise afford it.

By using the Key Card, the holder is eligible to receive up to $100 per child per year to be applied to many Parks & Recreation classes, events and programs. Pool passes are also available at a reduced rate.

Eligible families and/or individuals qualify for and receive a FREE Identification Key Card at one of the following agencies.

**Buxton Bouquet**
Magicamp with Lee Cole

Abracadabra!
Magicamp is for anyone who likes to have fun! You’ll learn how to entertain and amaze your friends, family, and classmates with magic that you can do anywhere, at any time and for the rest of your life. Join professional magician Lee Cole for a fun Saturday morning at the Indianola Activity Center. All magic materials provided.

Has your budding magician attended Lee’s camp before? No worries! Lee will help them perfect their tricks and also challenge them with a different and perhaps more advanced routine.

Program#: 6667
Fee: $47 ($42)
Day/Date: Saturday, November 13
Time: 9:00 am - noon
Age: 7 - 15 years
Min/Max: 6/20
Location: Indianola Activity Center, Registration Deadline: Friday, November 5, or when full

Skulls

Friday, January 7 • 7pm

Animal skulls can tell us so much about how that animal lived, what it ate, if it was a predator or prey, and how the animal saw (or smelled or heard) the world!

In this class our friends at Warren County Conservation will give you the opportunity to look at and touch real animal skulls.

You’ll put on your detective hats to discover information about the different skulls and identify them from those clues. Then you will create some skulls of your own!

Fun for the whole family!

This activity is free, but register with Warren County Conservation by Wednesday, January 5th at (315) 961-6169 or visit www.warrenczb.org.

Babysitting Clinic

Do YOU have what it takes to be a first-class babysitter?

In this class presented by Iowa State University Extension and Outreach you will learn your responsibilities as a babysitter, what parents expect, how to care for infants and young children, age-appropriate activities, safety, and how to handle emergencies. Open to boys and girls in 5th grade and above.

The registration fee includes a workbook, childcare resources, and snack. Participants who attend all three sessions will receive a certificate of participation. Each participant needs to bring a baby doll and a children’s toy for use in class.

Non-4-H members must complete a 4-H medical form and bring it to the first day of the babysitting clinic. The form can be downloaded from the registration page of our website.

Program#: 6665
Fee: $36 ($31)
Days: Tues - Thurs
Dates: October 26-28
Time: 4:00 - 6:00 pm
Age: 5th Grade & up
Min/Max: 4/10
Location: Warren County Extension Office, 200 W. 2nd Ave (Hwy 92)
Registration Deadline: Tuesday, October 19, or when full

Pathways to Freedom: Iowa’s Underground Railroad
Tuesday, November 9 • 1:00 - 2:00 pm
Indianola Activity Center

Some of Iowa’s earliest settlers played an important role in the underground railroad which helped thousands of enslaved men, women, and children find the road to freedom. Learn about these local heroes and helpers who were part of Iowa’s Underground Railroad with Gale Brubaker, Executive Director of the West Des Moines Historical Society. The WDMHS is located at the Historic Jordan House Museum, the only Central Iowa location on the John Brown Freedom Trail that’s open to the public. Find out more at www.wdmhs.org

This program is free but reservations are required.
Please register for program #6673 online or call 961-9420 by November 8th to reserve your spot.

Deep Midwest
Tuesday, October 19 • 1:00 - 2:00 pm
Indianola Activity Center

Robert (Bob) Leonard, author of Deep Midwest and host of daily radio programs on KNIA/KRLS, notices and captures in his writing many small things we value. His insightful thought-provoking poems and heartfelt prose bring laughter and sympathy amid appreciation for what we take for granted. Bob’s a regular contributor to the New York Times, Kansas City Star, and Des Moines Register regarding agricultural and environmental issues. He lives outside Knoxville with his wife, Annie, and they have two children.

Bob will talk about his writing process and what inspired him. Copies of Deep Midwest will be available and Bob will stay for a book-signing.

This program is free but reservations are required.
Please register for program #6636 online or call 961-9420 by October 18th to reserve your spot.

Dinner Delights
Take away some of the holiday stress by assembling tasty dinners in advance at our Dinner Delights Freezer Meal Party!

Dinner Delights takes care of everything you need including the menu planning, shopping and prepping. They come fully loaded with pre-chopped vegetables, Penzey Spices, and all the goods to make 6 freezer meals:

1. Enchilada Stuffed Chicken
2. Sweet and Spicy Bacon Wrapped Chicken
3. Sausage and Pepper Skillet Mac
4. Italian Meatballs and Cheesy Polenta
5. Baked Pumpkin French Toast with Streusel Topping
6. Corn Chowder

Participants assemble their own meals, which means you can tailor the spices or ingredients so your family will eat them! Just bring containers or a cooler to take the meals home. And boom...dinner is served!

Both options are a great deal to save you time and provide awesome meals for your family!

Day: Sunday, November 7
Time: 3:00 - 4:30 pm
Min/Max: 4/25
Location: Indianola Activity Center, Buxton Room
Registration Deadline: Monday, November 1, or when full

Improving strength and balance is the most effective way to prevent falls and decrease risk of injury. Resistance bands are an excellent tool to keep muscles strong and improve posture. Resistance bands are perfect for those beginning an exercise program and can be adjusted to make any routine more difficult.

Come join us to learn exercises to improve balance and strength of upper and lower body.

Free drop in class for adults 50 or better. Resistance bands will be provided free of charge by Athletico Physical Therapy-Indianola.

50+ Trip: Night of Lights

Get into the spirit of the season with a festive tour of holiday lights!

We’ll start our evening in Altoona to tour the more than 100 magical light displays that make up Jolly Holiday Lights, the annual Make-A-Wish Iowa fundraiser. Then we’ll take a scenic route through Ankeny and Beaverdale to enjoy some of the most popular neighborhood displays.

Your registration fee covers transportation and admission to Jolly Holiday Lights. Trip departs from and returns to the Activity Center. Exact return time may be dependent on traffic and crowds.

NO REFUNDS AFTER REGISTRATION DEADLINE.

Program # 6672 Min/Max: 10/12 Age: 50+
Day/Date: Wednesday, December 8
Depart Indianola Activity Center: 5:00 pm
Return to Indianola Activity Center 8:00 pm
Fee: $30 ($25)
Registration Deadline: Wednesday, December 1, or when full
**Registration Deadline**
$55/team (2 players/team)

**Location:**
Indianola Activity Center

**Game times:**
5:30 pm, 6:15 pm, 7:00 pm, 7:45 pm

Play tentatively begins Thursday, January 13

**Dates:**
Age:
18 & up

**Teams:**
6

BYOB is allowed, provided no glass bottles and no liquor. Matches with double headers scheduled each night. Prizes will be awarded to top finishers. Teams will play a best of three matches.

Chicometrics
This popular deep muscle-toning program develops muscular tone and skeletal strength so you look good and feel great. Measure your progress! After only 3-4 one-hour sessions, you can expect to trex as much as
1 to 2 inches from the hips, thighs, and abdominal areas. No impact based with isokinetic and isometric principles for fast toning. Also great for helping with aches and pains.

Bring a bottle of water and mat if you have one. Mats are available at class for those who don't.

**Chicometrics**

Adul t Indoors Bags/Cornhole League
Grab a friend and join this 6-week indoor league! The ever-popular bags/cornhole game is moving indoors! Prizes will be awarded to top finishers. Teams will play a best of three matches with double headers scheduled each night.

**Tree Variety**

**Price**

**Height**

Bald Cypress $25 2-3'  
Hackberry $45 5-6'  
Northern Catalpa $25 7'

Indianola Activity Center  
ROOM RENTALS  
2204 W. 2nd Avenue (Hwy 92 W)

Until further notice, the following restrictions are in place due to COVID-19

- When the Activity Center is open to the public, the Buxton Room will be available for rent. If the building is closed to the public, rentals are canceled.
- Events are limited to 96 people.
- An extra $150 fee for cleaning and disinfecting after the rental will be passed on to the customer.
- Renter must follow CDC guidelines for any meals or food served.
- Renter must follow CDC guidance regarding safety measures to prevent spread of COVID-19.

Buxton Multi-Purpose Room
Capacity 96* (*usually 200, but reduced due to COVID-19 mitigation; this may change over time)

Your rental fee includes: 5’ round folding tables that seat 6-8 people, folding chairs, rectangular tables, lectern and public address system, projector screen (projector not included) and full kitchen with coffee maker. Renter provides their own table service, table cloths & chair covers, cooking utensils, etc.

AVAILABILITY
Saturday, Sunday & City Observed Holiday
Available Hours: 8:00 am - Midnight
Advance Reservations: up to one year

Key Pick Up
The renter is responsible for making arrangements to pick up a key from the Indianola Parks & Recreation office during regular office hours.

Deposit Returns
Until further notice, all deposits will be refunded by check. This process can take up to 3 weeks.

Payment Due
All rental deposits and fees are due at the time the reservation is made.

COSTS
Rental Deposit: $200 no alcohol/ $400 if alcohol will be present (beer, wine or champagne only)
- The rental deposit is non-refundable if the reservation is canceled.
- All or part of the rental deposit may be used to pay for any damages caused during the rental.
- The amount of the rental deposit in no way limits the monetary amount of damages for which the renter may be responsible.

Rental Fee: $300 no alcohol/ $500 if alcohol will be present (beer, wine or champagne only)
Cleaning Fee: $150

Forms of Payment
American Express, Discover, MasterCard, Visa, Diners Club, check, or cash.

Cancellation Policy
If a rental reservation is canceled, then the rental deposit will not be refunded.

However, if the rental must be canceled due to COVID restrictions, then all fees and deposits will be refunded.

Call the Parks & Recreation office at 515-961-9420 to check availability. Visit our website for complete details and terms of use.
Valley Place Construction Project

This project will replace the existing concrete pavement on Valley Place, from North 1st Street to North Jefferson Way, which has failed beyond repair and requires complete reconstruction. The scope of this project includes reconstructing the two-lane street with 31 foot wide concrete pavement, improving sidewalk connectivity, and upgrading the existing sidewalk ramps to meet ADA standards.

The City Council has awarded the construction contract to TK Concrete for a total amount of $210,620. The construction is scheduled to begin the week of August 30th and be substantially completed by October 30, 2021.

South R Street Project

Street Division staff initiated full-depth pavement repairs on South R Street. Construction work started in late May. To-date, more than 1,265 hours of labor and 485 cubic yards of concrete was required to repair approximately 18,500 square feet of pavement.

This required $72,500, in labor and material, to perform these repairs. As a part of this project, staff also crack sealed 4,400 feet of pavement joints on South R Street by using 1,200 pounds of sealants as part of a preventative maintenance process to help prolong the pavement life. This project is substantially completed and will be completed in early September.

Square Reconstruction Project

As fall approaches, Phase 1 of the Square Reconstruction Project is wrapping up and will be back open to the public soon! Prior to Phase 1, traffic on the Square, as well as Buxton and Howard Streets, was converted from one-way traffic to two-way traffic. As a result, Phase 1 construction included a new drive through mail drop-off area in front of the Indianola Post Office.

Utility work in Phase 1 included the reconstruction of existing storm sewer infrastructure that was outdated and failing. Most of the existing storm sewer pipes were 12” in diameter, and Phase 1 included over 3,000 feet of new storm sewer sized as large as 36” in diameter. The addition of permeable pavers in the parking areas will assist in the mitigation of storm water within the Square. Phase 1 also included the upgrading of outdated and undersized water mains. The old mains, which were only 4” in diameter, were undersized for modern day fire protection needs. These old 4” water mains were replaced with about 400’ of 8” water mains.

By the time you are reading this, the road portion of the project should be nearing completion and sidewalk reconstruction should be underway. When completed, pedestrians on the Square will notice wider sidewalk areas and shorter street crossings, as well as new amenities including street trees, permeant planter boxes, benches, and bike racks. Please note that while the road and parking areas are complete, they will remain closed to vehicular traffic to allow for pedestrian traffic to businesses while the sidewalks are being reconstructed. It is anticipated that Phase 1 will be complete, with vehicular and sidewalk traffic opened back to the public, by mid-November.

East Iowa Paving Project

This pavement construction project started on March 22, 2021 and is substantially completed. The scope of this project includes pavement construction on East Iowa Avenue, from 15th Street to approximately 0.25 miles east of 15th Street, including installation of sanitary sewer, storm sewer, street lighting, and water main infrastructure, new concrete pavement, ADA accessible sidewalks, and recreational trails. This important economic development project is not only serving the new multi-million-dollar technical training facility, but also providing better access for development of the City’s industrial park. The construction contract to complete this project is with Vanderpool Construction Inc., for a total amount of $914,226.40. Of this amount, the City will receive approximately $449,872.20 in federal financial assistance (50-50 match for a major portion of the project cost) from U.S. Department of Commerce, Economic Development Administration.
**Future Infrastructure Projects**

**South K Street**
South K Street, between 2nd Avenue and W 17th Avenue, is an unpaved collector street that provides an opportunity to improve surface condition, reduce frequent maintenance, eliminate dust, and improve drainage performance by paving an existing gravel street.

The pavement reconstruction is scheduled to begin during the next Fiscal Year (July 1, 2022 – June 30, 2023). The City’s engineer is currently working on the necessary surveying and engineering work needed to bid out this paving project. The scope of work will include replacing the existing gravel pavement surface with paved hard surface, improving stormwater management, improving pedestrian and bicycle accessibility and mobility with a separate 10’ wide shared use path along one side of the road, promoting livability, and reducing emissions by installing new trees.

The total project cost is currently estimated at $4,464,000, which is planned between Fiscal Year 2022 and 2024 (June 1, 2022 to July 30, 2024).

**Hillcrest Avenue**
This pavement reconstruction project will be located on Hillcrest Avenue from North 4th Street to North 14th Street. This project proposes to replace the existing failed concrete pavement with a new three-lane paved street consisting of 37’ wide PCC pavement with integral curb and gutter.

The scope of this project also has new storm-sewer infrastructure, new sidewalk on one side of the road, new trees, improved trail crossing, and a new trail head. The pavement reconstruction is scheduled to begin during the next Fiscal Year (July 1, 2022 – June 30, 2023). The City’s engineer is currently working on the necessary surveying and engineering work needed to bid out this paving project.

The total project cost is currently estimated at $4,522,600, which is planned between Fiscal Year 2022 and 2024 (June 1, 2022 to July 30, 2024).
Routine Sewer Maintenance

WHAT YOU NEED TO KNOW WHEN THE CITY'S SEWER MAINS ARE BEING CLEANED.

The City of Indianola has a routine maintenance schedule which involves cleaning and televising the sanitary sewer system throughout the city.

The work is intended to clean and identify areas of our sewer system in need of long-term maintenance and to provide us with a digital record of the City’s entire sanitary sewer system. The cleaning and televising of the sanitary sewer main lines will not cause any disruptions to the homeowner’s sewer service line.

High pressure water will be used in cleaning the sanitary sewer lines. This can cause a slight increase in line pressure. The increased pressure should be relieved through the vent pipe on your home or business. Each home and business are required to have a properly working vent pipe. Undersized, partially plugged, or poorly located sewer vent pipes can cause problems such as sewer gas smells or bubbling out of the drains and toilets during the cleaning process.

It is recommended that all toilet lids be kept in the down position. If you experience odor during the cleaning process, put a small amount of water in all sinks, tubs, and floor drains. This will seal your system and stop odors from entering your home or business. If you have any issues, it may be a good idea to have your vent pipe checked by a licensed plumber to make sure it is properly sized, located, and in good working condition.

Each home and business are required to have a properly working vent pipe.

Undersized, partially plugged, or poorly located sewer vent pipes can cause problems such as sewer gas smells or bubbling out of the drains and toilets during the cleaning process.

Keep toilet lids down.
If you experience odor during the cleaning process, put a small amount of water in all sinks, tubs, and floor drains. This will seal your system and stop odors from entering your home or business.

GRASS CLIPPINGS & LEAVES - “DON’T BLOW IT!” ONTO ROADS

By City Ordinance 135.03, it is unlawful for any person to throw or deposit on any street or alley any grass, leaves, yard waste or debris which, if washed into the storm sewer, could clog the storm sewer and cause flooding.

SNOW ORDINANCE

City Ordinance 69.10 prohibits parking on any public street or alley during a snow emergency parking ban. Such ban is in effect when two or more inches of snow or ice has fallen or is predicted by the National Weather Service. Ban shall continue for the duration of the storm any for forty-eight hours past the end of the storm unless streets are fully opened after plowing. If your vehicle is in violation of the snow emergency parking ban, you will be subject to a $35.00 parking ticket and/or your vehicle may be towed at your expense.

Snow emergency parking ban will be posted on cable channel 86, the city website www.indianolaiowa.gov or can be confirmed by contacting the Police Dept. at 961-9400. Please take special note of this ordinance and plan accordingly.

PLOWING, BLOWING SNOW INTO STREET IS ILLEGAL

By City Ordinance 135.03, it is unlawful for any person to plow, shovel, or blow on any street or alley any snow or ice which, not only does this require City snowplows to re-plow the roads, but it impedes with safety of traffic.

FIRE HYDRANTS

Once again we’re approaching the winter season. With that in mind the Indianola Fire Department requests your assistance. If you have a fire hydrant located at or near your property please clear snow away from it. When responding to a fire emergency, every second counts. Buried or inaccessible hydrants may result in a delay at the scene of the emergency. Your assistance in keeping hydrants clear is greatly appreciated!

SIDEWALKS

For the safety of pedestrians, City ordinance requires property owners to clear their sidewalks of snow and ice in a timely manner. Failure to comply with this ordinance may result in a fine, court costs and/or payment to the City for costs associated with removal.

Fall/Winter Reminders

Stay Informed

3 Methods of Iowa Voter Registration

1) ONLINE
Iowa Secretary of State
www.sos.iowa.gov

2) BY MAIL OR IN PERSON
Warren County Auditor’s Office
Warren County Administration Building
301 N. Buxton Suite 101
warrencountyia.org/auditor

3) AT YOUR POLLING PLACE
You can register to vote on election day at your designated polling place. You will need:
Proof of ID / Photo ID
Proof of Residence (if photo ID does not contain it)

Did You Know?
17 year olds who will turn 18 by election day may register to vote.

Absentee Voting
Any registered voter may request an absentee ballot through their county auditor.

They may also vote with an absentee ballot in person at the Warren County Administration Building.

For details about absentee voting, please contact the Warren County Auditor at 515-961-1020, or visit the website at warrencountyia.org/auditor.

INDIANOLA VOTING LOCATIONS
The City of Indianola is divided into seven precincts that make up four wards. Voting locations for residents depend upon the precinct in which they live. Each polling place will be open from 7:00 am - 8:00 pm.

Ward 1
Precincts 1 & 2
Warren County Admin Building
301 N. Buxton

Ward 2
Precincts 3 & 4
Reeder Lutheran Church
1410 W. Boston

Ward 3
Precincts 5 & 6
Masonic Hall
1606 W. 2nd (Hwy 92)

Ward 4
Precinct 7
American Legion
Warren Post 165
105 W. 1st

Need Help Finding Out Where to Vote?
Use the tool called Find Your Precinct/Polling Place on the Iowa Secretary of State website. https://sos.iowa.gov/elections/voterreg/pollingplace/search.aspx

Understanding Your Utility Bill

One bill, two billing entities

Your Monthly IMU Bill Includes
Indianola Municipal Utilities (IMU)

Electric • Recycling • Sewer • Stormwater • Water • Fiber

Pay with Cash, Credit, Debit, Checking or Savings

By Phone
Call (515) 961-9444.

In Person
IMU Customer Service Center,
210 W. 2nd Avenue (Hwy 92).

On-Line
Log onto the IMU website at www.indianola.com. Select “Pay Bill” button, and follow the on-screen instructions.

Automatic Payment from Your Bank Account
This requires the completion of an authorization form at Indianola Municipal Utilities. Payment is deducted on the 20th of each month. If the 20th falls on the weekend, payment will be deducted the Friday before.

Budget Billing
This billing option allows customers to pay the average of their annual utility costs on a monthly basis rather than the actual bill amount. Paying the average cost allows you to know (and budget for) the exact payment amount. If a customer elects budget billing, they must be on “Automatic Payment” thru Indianola Municipal Utilities.

How to Pay City of Indianola
Ambulance Bills • Community Development Fees • Parking Tickets

By Phone
Call (515) 961-9410.
