Legal Service Area For South Central Iowa Landfill Agency

 SCILA Service Area

The Following Are Accepted Service Areas of SCILA:

By **LAW**, if you do not live or the trash you are hauling did not originate from an area shaded in green you cannot legally dump in this landfill.

- All of Madison County Except Macksburg.
- All of Warren County Except Norwalk, Harford & Carlisle.
- Including the City Limits of:
Ackworth, Bevington, Cumming, Dallas Center,
De Soto, Dexter, Earlham, East Peru, Indianola,
Lacona, Martensdale, Milo, New Virginia, Osceola,
Patterson, Sandyville, Spring Hill, St. Charles, St. Marys,
Truro, Van Meter, Winterset

Things to Consider:

- ◆ It may be cheaper to rent a large dumpster and go in with your neighbors than taking multiple trips to the landfill.
- ◆ When a professional service hauls your trash, it is compacted which saves time and money.

Non Compacted Trash

Compacted Trash

South Central Iowa Landfill Agency Reserves The Right To Deny:

- ◆ Access to the landfill to any customer, user, transporter or driver who is not in good standing.
- ◆ Access to the landfill for the purpose of disposing any dead animals, birds or any byproduct associated with any animal carcass.
- ◆ Disposal of any wind turbine parts to include: rotors, blades, gearboxes, nacelles, generators, shafts, brakes, transformers, and any concrete or re-rod associated with a wind turbine.
- ◆ Disposal of any solar panel parts to include: panels, inverters, monitoring equipment, racking & mounting, rails, flashing lugs, mounting brackets, wire clips, splice kits, braces end caps, and any concrete or steel associated with a solar panel.
