# Anticipated Construction Schedule

- Bid project in late August
- Construction starting October 1
- Work across golf course complete by Dec 1
- Apple Lane and Apple Drive – Start March 2018
- Substantially Complete - May 1, 2018
- Final Completion – June 1, 2018

## What does this mean to you?

- New Street and sanitary sewer
- Half of street replacement at one time
- Communications during construction
- Some – get existing easements back

# QUESTIONS
