Comments following the Halloween party on the square:

I'm not sure who planned the event but I was very impressed with the Halloween event on Saturday on the square. Much better than previous years. It was great not having to stand in line forever while costumes got judged and my grandchildren loved the bouncy houses, mini golf, etc. Many more things for the kids to do than stand around waiting to be judged. Hope they keep this format for other years!

I agree! We didn't participate in the costume judging but everything else was great! My kiddos also enjoyed it!

I agree! The pop up golf was super fun! This is the first year we spent the entire 2 hours there! All the misc games and things just overall went smoother...hardly waited in lines. Kudos parks and rec for being one of my traditions with my family.

Well Done!
