**Subject:** Bravo - Invitation to Public Art Discussion

As part of Bravo's continued commitment to strengthen arts, culture and heritage in Central Iowa, we are hosting a regional conversation about public art on Wednesday, March 21 from 5:30 – 7:30 pm at the [Giovannetti Shelter in Urbandale's Walker Johnson Park](#). The event is intended for city staff, elected officials and community members from Bravo's local partner government communities who serve on public art boards or commissions.

**Please consider registering for this event and forwarding the information to others from your community who may be interested in a discussion about the evolving role of public art in the region.** Although not intended for the general public, we do hope to welcome not only public art councils, but also representatives from parks and recreation, economic development, transportation, public works and others to enhance regional dialogue and collaboration.

RSVPs are strongly encouraged and registration can be completed by [clicking here](#) or pasting the following address into your web browser: <https://www.eventbrite.com/e/public-art-in-central-iowa-a-regional-conversation-tickets-43628990485>

Please don't hesitate to let me know if you have any questions, and I hope to see you there!

Best,  
Sally
