Hello,

This is your last reminder to please RSVP by Friday for the Regional Public Art Grill and Chill that will be held next Tuesday, September 18! All the information is below and make sure to click on the blue link to RSVP. We hope to see you on Tuesday. Thank you!

Public art is an essential part of all dynamic, vibrant communities. Please join Bravo Greater Des Moines and other regional partners for an informal "Grill and Chill" to keep conversations going about working together to bring public art to life locally and across the region.

Tuesday, September 18
5:30 pm – 7:00 pm
E.J. Giovannetti Shelter at Walker Johnson Park
9000 Douglas Ave, Urbandale, IA 50322

[Click here by Friday, September 14 to RSVP for the Grill and Chill conversation.](#)

City staff, elected officials and community members serving on boards or commissions connected to public art are invited to attend. We hope this will include representatives from parks and recreation, economic development, transportation, public works and others to enhance regional dialogue and collaboration. Although not intended for the general public, **please forward the invitation to anyone in your community who would add to or benefit from this dialogue.**

A light dinner of hot dogs, chips, lemonade and water will be available and **RSVPs are greatly appreciated** so we can plan appropriately. And, although the format will be informal, please let me know if you have specific topics you would like shared with the group to spark discussion.

Thank you to the Urbandale Public Arts Commission for hosting the conversation. I hope to see you there!
