**Subject:** Update

Good morning, all.

As you may have seen on the news while eating breakfast, there was an event this morning where our police department (along with other agencies) responded to the scene of a barricaded homeowner. The event has been resolved peacefully with the individual in custody. No injuries are reported. As a result of this situation, classes at Irving were canceled for the day.

A big thank you to our team for their professionalism in responding and resolving the event.

Ryan
