

Christmas Meals 2016

Det. Slawomir Blondowski received a donation of Cure 81 hams from Osceola Foods/ Hormel Human Resources Manager Roberto Luna and Plant Manager John Hoag. The hams will be combined with Hy-Vee sides to be delivered to chosen families for the Christmas holiday. Thank you to Osceola Foods for being an IPD COP sponsor!!

Ofc. Marsh picked up Christmas holiday meals from the Indianola HyVee this morning. He, along with Ofc. Wagner, delivered meals to 10 local families to help ease the holiday burden. This was made possible by our generous IPD COP sponsors. Special thanks to Osceola Foods for donating the hams, and to HyVee for putting everything together!
