Thank you for the fire you lit in our 11 year old daughter with her attending the Jr Police Academy. She has not shut up about it. She has often talked about a career path that involves serving our country in one of the branches of the military and then moving into the medical or criminal justice field. Thank you for your part in this!

To: Officers Marsh, Williams  
Sergeant Dwyer

To the officers who helped in the accident on Highway 92 in front of Fareway, May 25<sup>th</sup>, and all officers and staff of the Indianola Police Department. Your concern and helpfulness was excellent and appreciated beyond what words can express.
